Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.

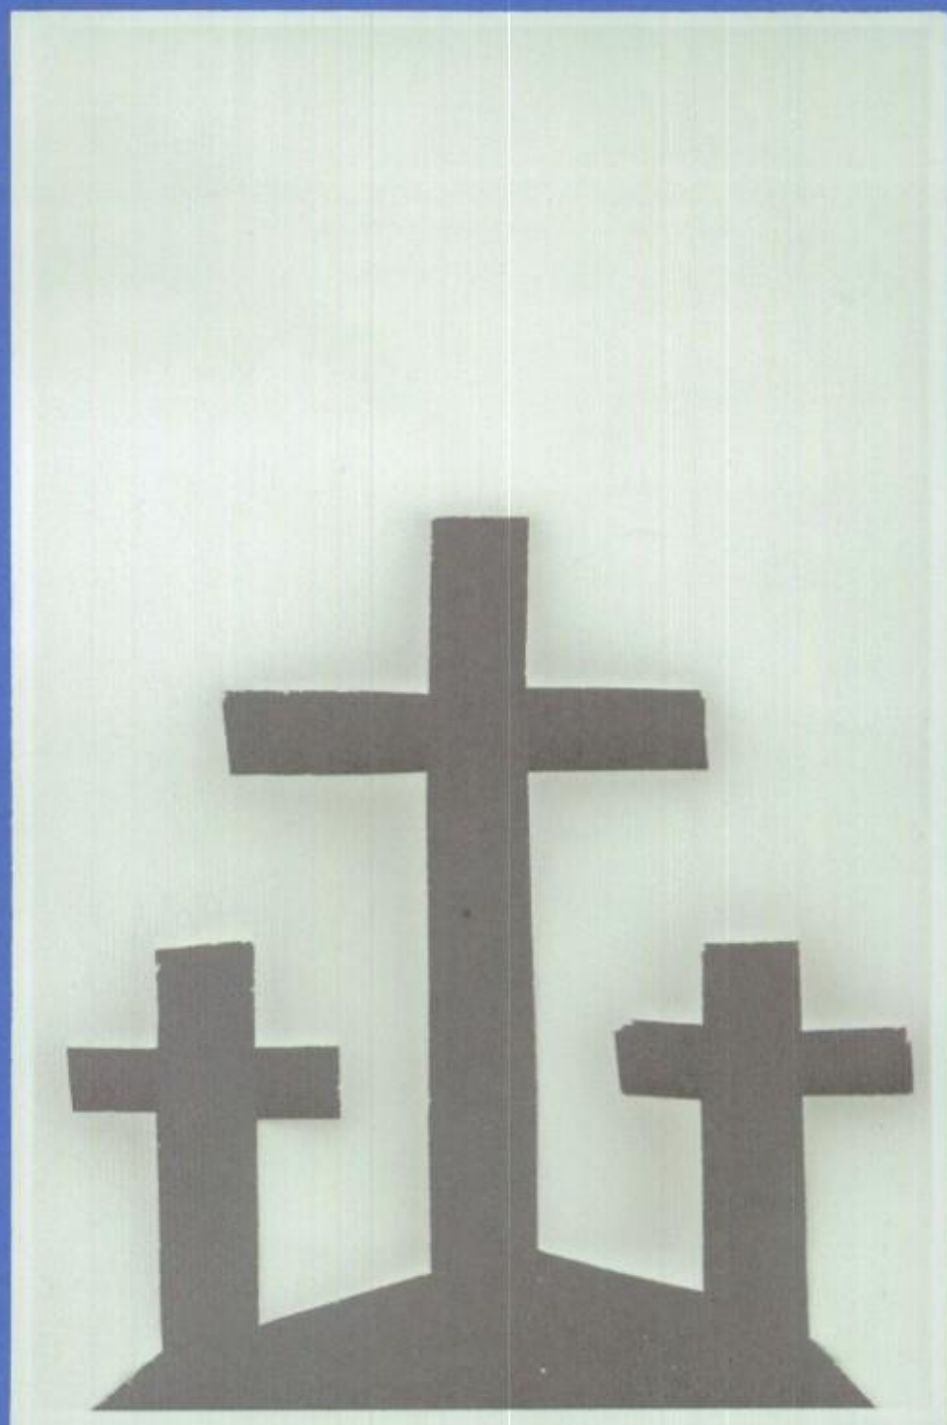

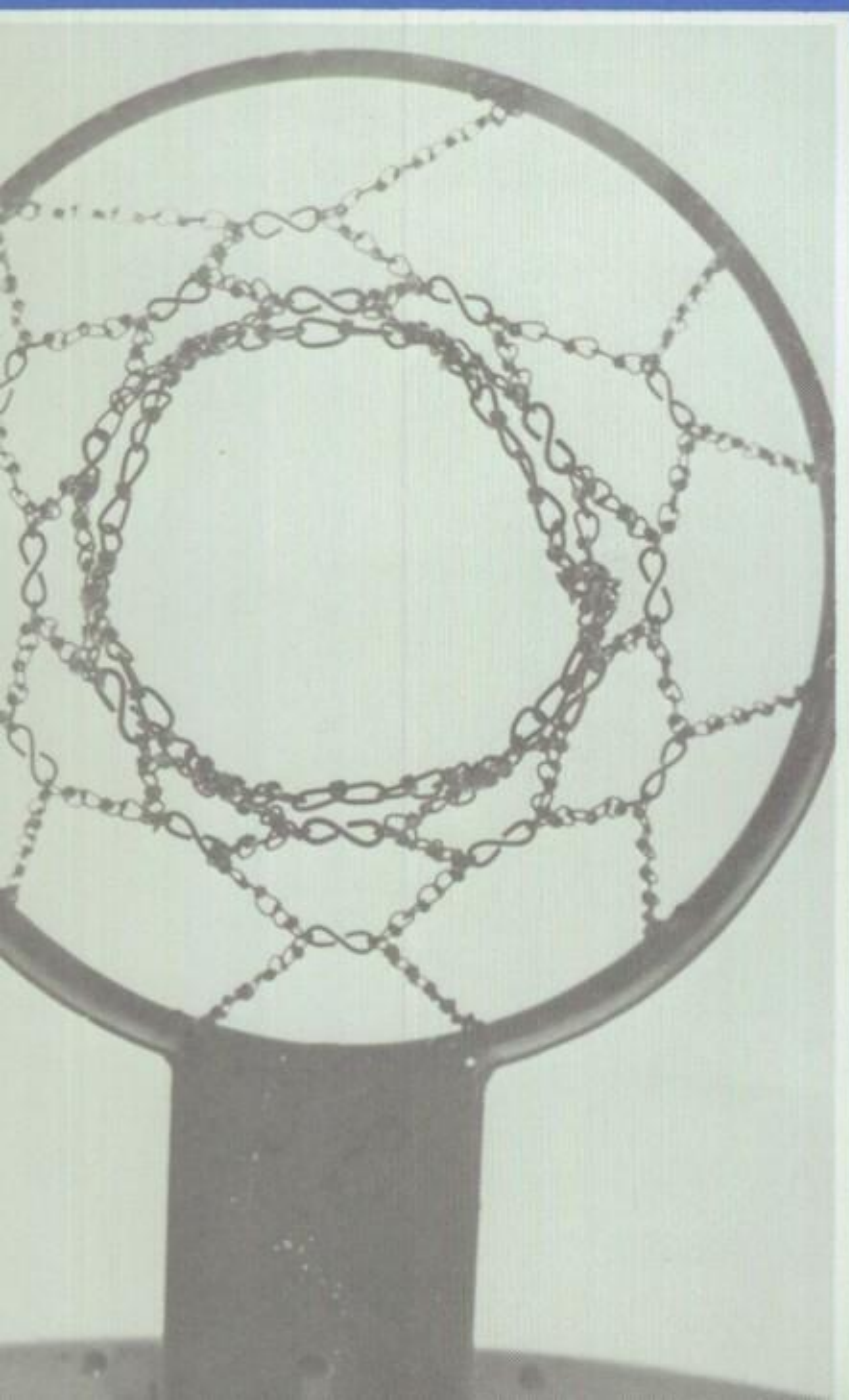

Avoid loud and aggressive persons, they are vexations to the spirit; If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself.

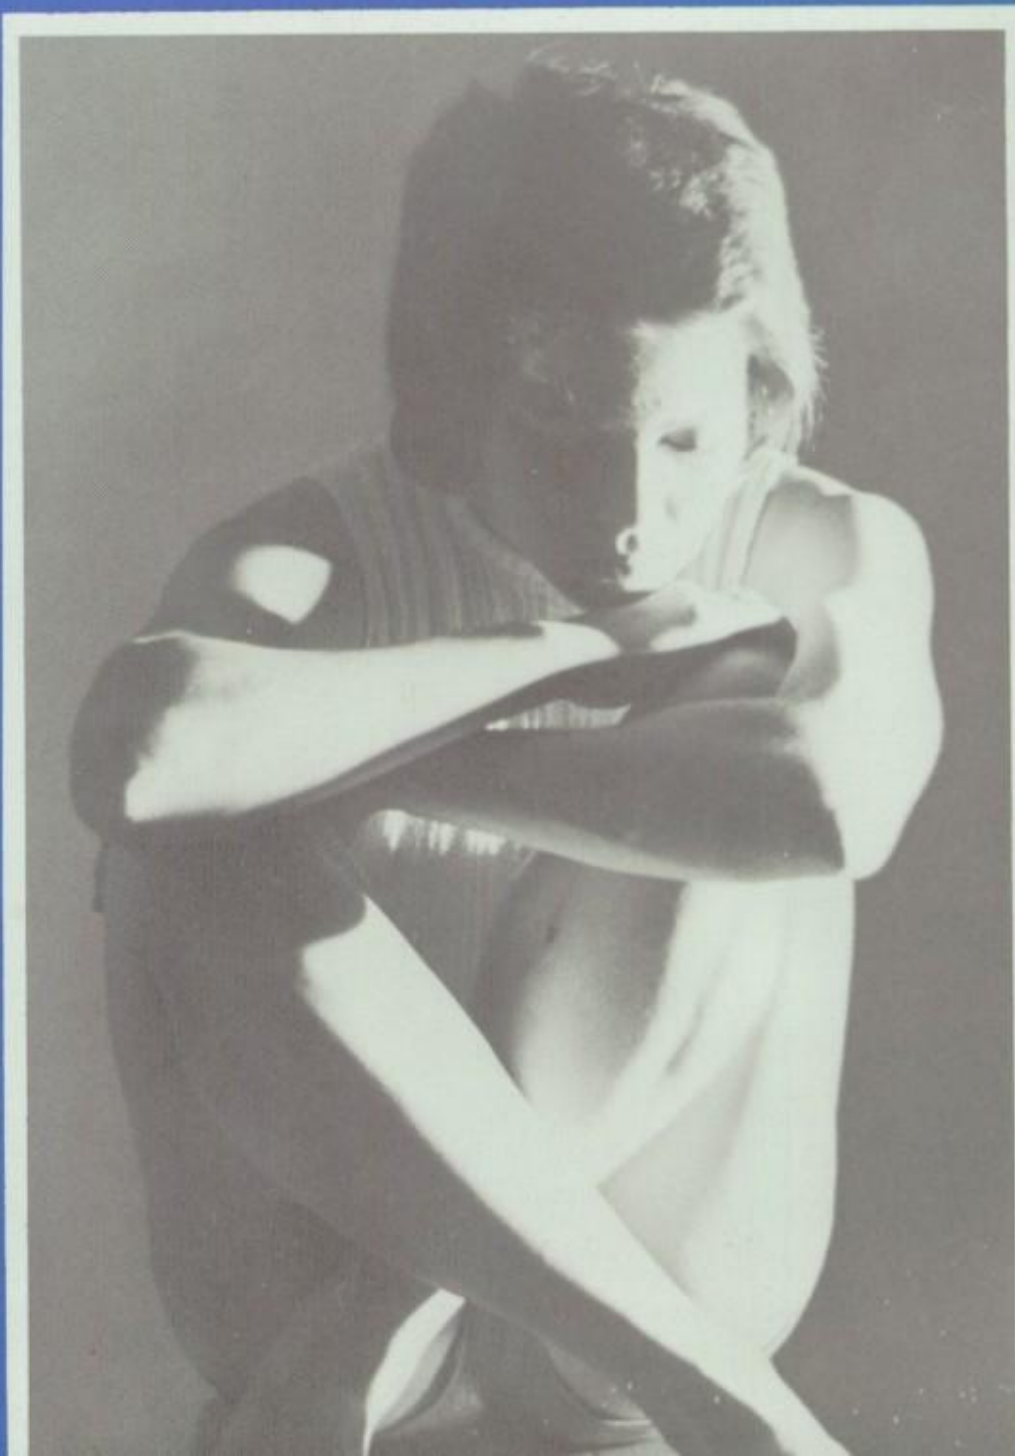

Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time.

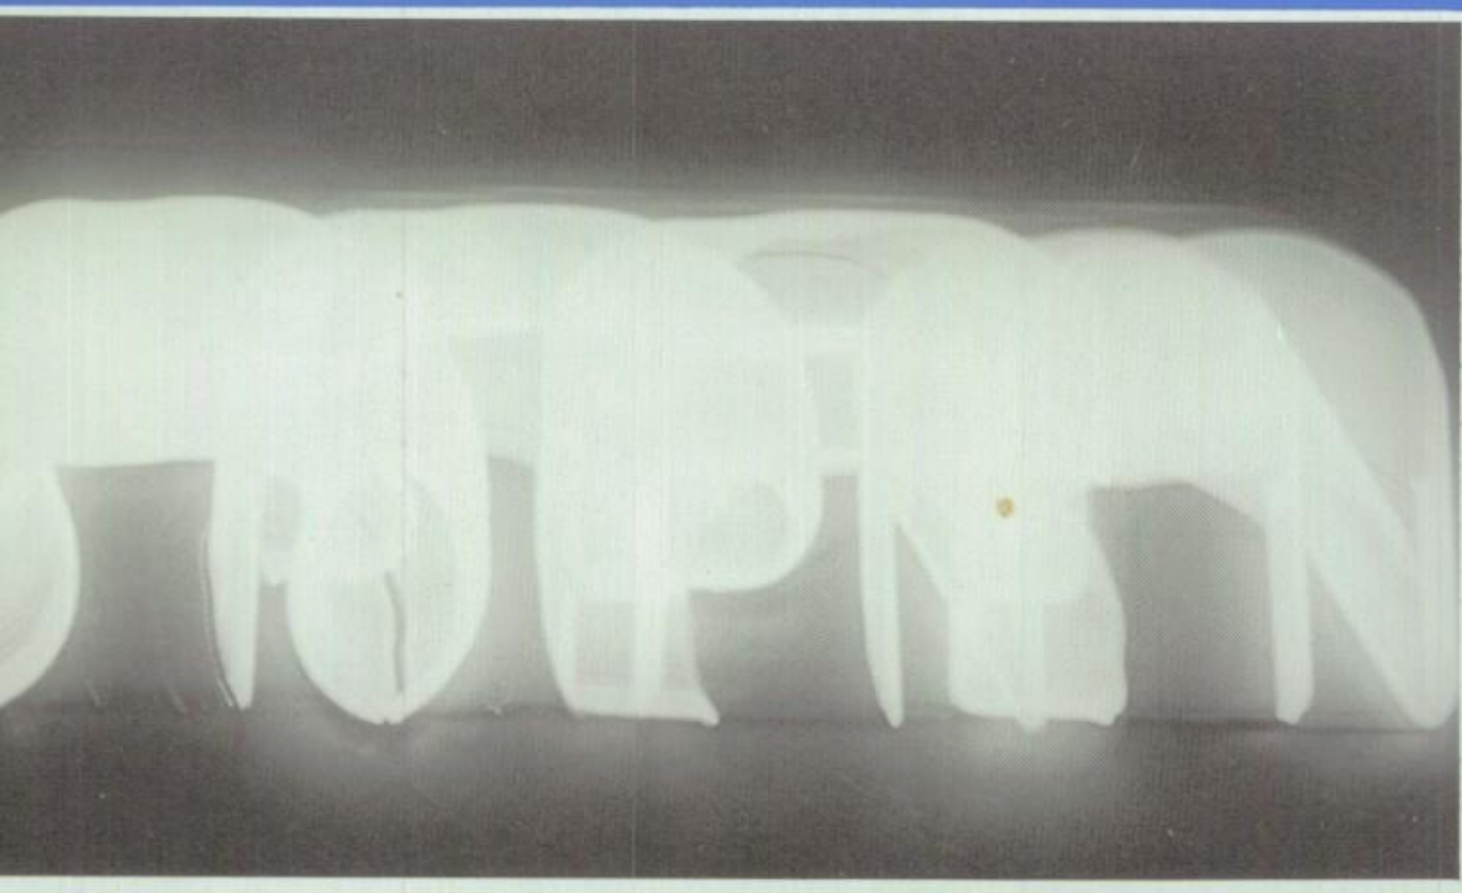

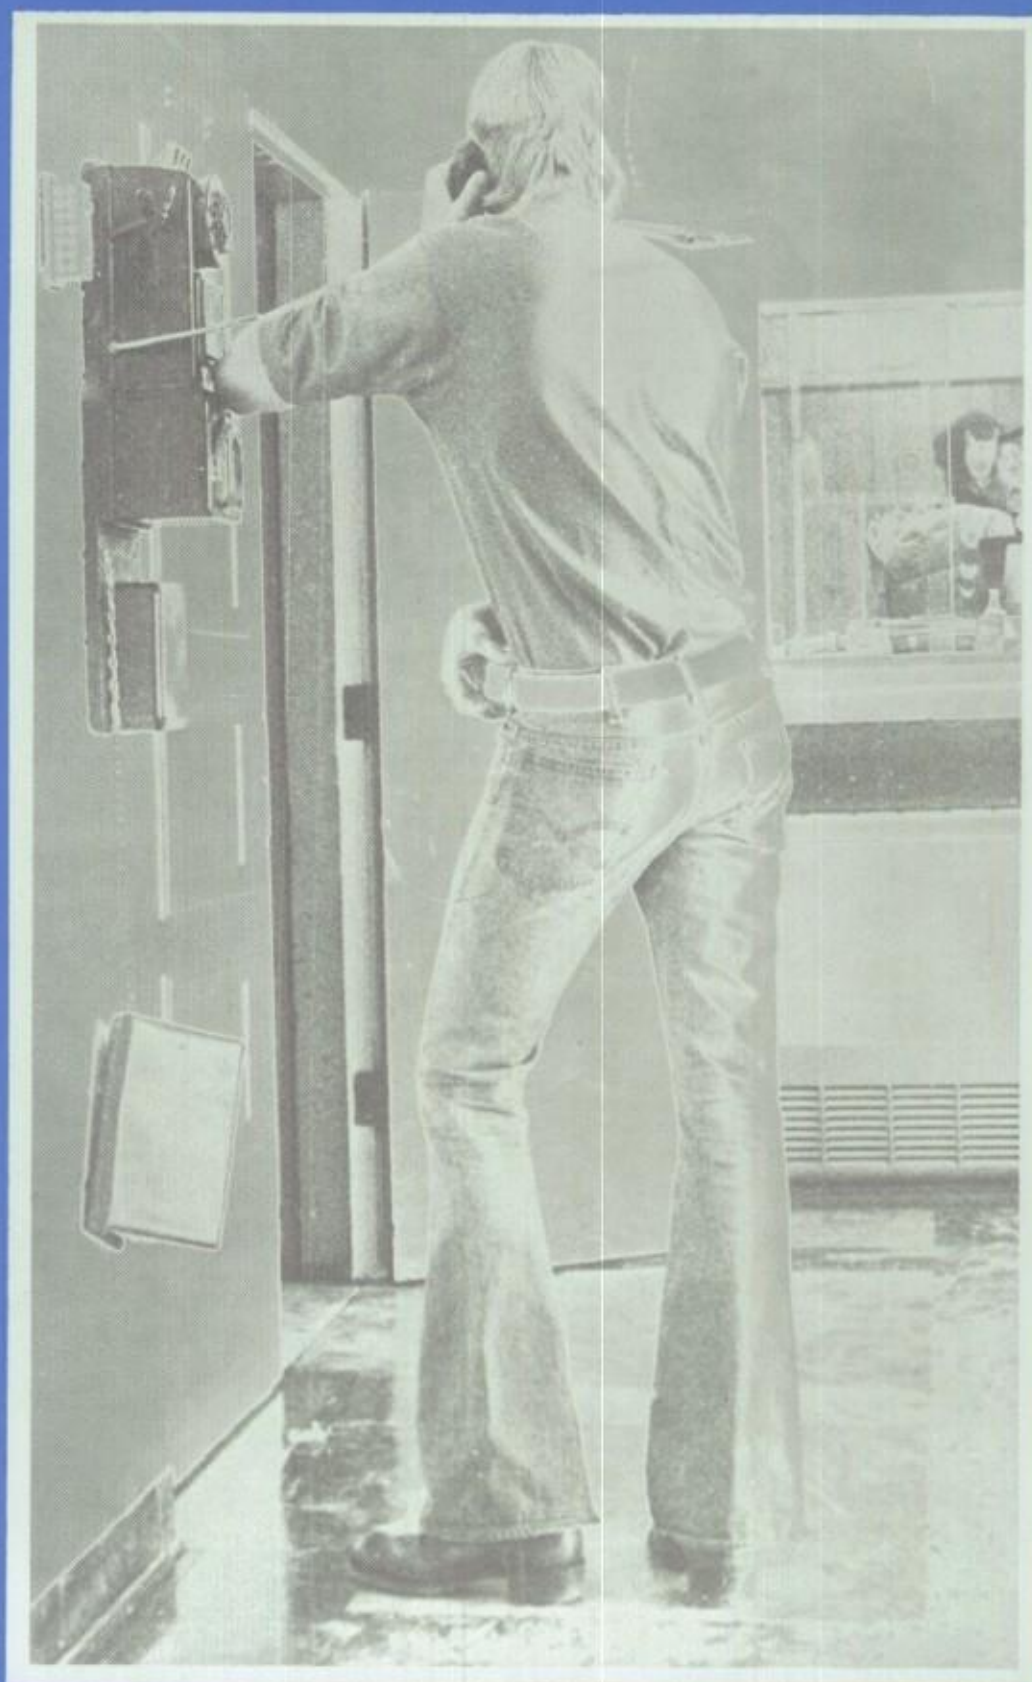

Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.

Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass.

Leadership

If there must be trouble
Let it be in my day
That my children may have
Peace.

School Board

L-R: Frank Fear, Tharon Greenwood, Bob Robertson, Sandra Carr, Pete Olson, John Tanner.

This year's School Board has acted in close coordination with the Big Piney students in trying to resolve the problems that face the school system. They have made an all out effort to improve the system and should be highly complimented.

Student Council

The student council was organized in an effort to develop better student-administrative relations. The student council has played a large part in the voice of students towards change and improvement in school policies and activities.

SITTING L-R: Casey Osborn, Jay Orr, Sheree Grinestaff, Mark Bennett, and Steve Firth.

Superintendent

Mr. Robertson has continued to play an important part in bringing the students closer to the administration. He has many duties he must perform every day and many decisions that he must make. He has done an excellent job in this school system and should be highly commended.

Principals

Top officials of our administration include the principals. Mr. Bus Carroll holds this position in our high school. Mr. Burl Hoopes keeps the junior high running with a tight fisted administration and Mr. Gallemore maintains the smooth running of the elementary. They are very instrumental in the decision making effecting the students.

Secretaries

All school activities are improved by a helping hand from one of the schools dilligent and hard working secretaries. They always manage to be helpful and come through with a smile.

These women are constantly bustling with activity, posting activity funds, payroll checks, lunch cards, bulletins, answering phones, and many other services that they perform each day.

Custodians

John Linn and Mike Murdock

Custodians daily provide an immaculate environment and add a sense of organization to the school.

Mike Murdock has proved an able electrician, maintenance man, plumber, and general handy man.

Cooks

L-R: Cathaline Pearson, Olive Hoopes, Darlene Holgate, Ruth Hendricks, and Mary Moffat

Much credit is due to the lunch room cooks who provide hot meals daily and also prepare food for other extra-curricular activities such as breakfasts and banquets. The menu includes plenty of food and a pleasant smile from the cooks.

Cleaning up is also a part of the cooks' jobs.

Special Services

Those who work in the area of special services are dedicated and hard workers. They are responsible for making sure that books are brought in on time and that those who need special help get it and they also make certain no epidemics arise.

Sylvia Schaffer, school nurse.

Lucy Wilkerson, high school librarian.

Anthony Tomassi, special reading instructor.

Glenda Gurney, elementary librarian.

was quite exciting. Be good and
good luck to you always.

The years are undulations in

your flight

Whose awful motion we can only

guess

Too swift for sense,

Too terrible for sight,

We only know how fast behind

you darken

Our days like lonely beacons

of distress:

We know that you stride on

and will

not

harken.

Juniors

This year's juniors have proved their abilities by providing a successful Prom at the Pit and Primer. Dancing to the music of Wild Childe from Ogden, the entire student body enjoyed themselves. Besides putting on a Prom, the members of the junior class were involved in the production of "Twelve Angry Men," which was an outstanding success. The juniors have made this year one that will long be remembered.

Strange to me now are the forms I meet

When I visit the dear old town;

Are singing the beautiful song.

Are sighing and whispering still:

The hard working newspaper staff has published an excellent paper every month for the school year, with the help of their advisor Mr. Phil Quink. They should be highly commended for their diligent work. The "Piney Profiles" includes articles concerning developments within the school and surrounding communities. They have introduced several new sections to the paper this year, some of which are "Who's New", "Zodiac", and "LaBarge News."

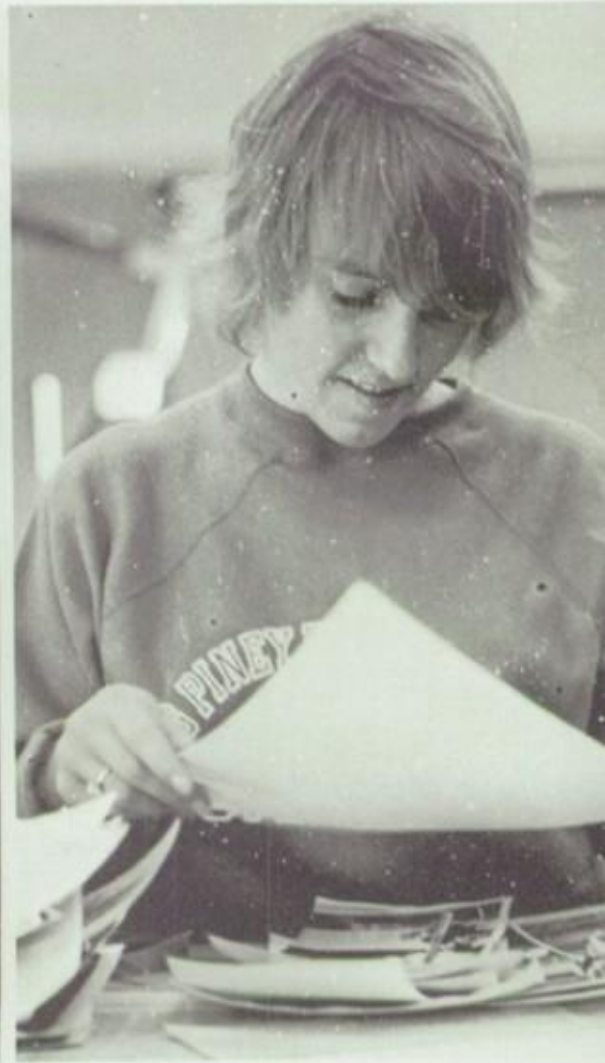

Annual Staff

The annual staff of 1973-1974 should be greatly complimented for all their work in making this year's annual a fantastic one. They could not possibly put everything into the annual that has happened this year, nor portray every emotion. The annual staff has captured this year in a book for all to remember.

Photography Staff

The photography staff is one of the busiest groups in the school. They must cover all the athletic events, plays, music concerts, dances and they also must take group shots of all organizations and clubs. Their talents entail shooting action shots, taking photographs in almost no light, and they have master special effects to enhance their photographs.

Cal Chapman, head photographer.

Capturing the funny and unexpected is also one of the talents of the photographers.

National Honor Society

National Honor Society is the most select honorary club in the school. Each year new members are reviewed and accepted into this organization after meeting the standards of Character, Scholarship, Leadership, and Service. This induction is a great tribute and is highly respected.

Speech

This years Speech Club played an active part in the various meets including Green River and Big Piney. In the Green River meet, Zania Hubbert placed fourth in a very competitive final round, although no one else placed from Big Piney they all proved to be tough competitors.

The Speech Team attended the District Meet in Jackson this year and all members missed finals by just a few points, the hard working Speech Team definitely will return next year.

Girls' Athletic Association

The GAA has continued to flourish and expand under the direction of the sponsors Mrs. Skinner and Mrs. Murdock. The girls this year have participated in such activities as swimming, gymnastics, and volleyball. They also operated a school store that sold various refreshments. The store was open during all home games and meets and also during school days. With the money that was made from the store and work days, the GAA girls went on a camping trip for two days. All in all the year was exciting and fun for the GAA girls.

Lettermen's Club

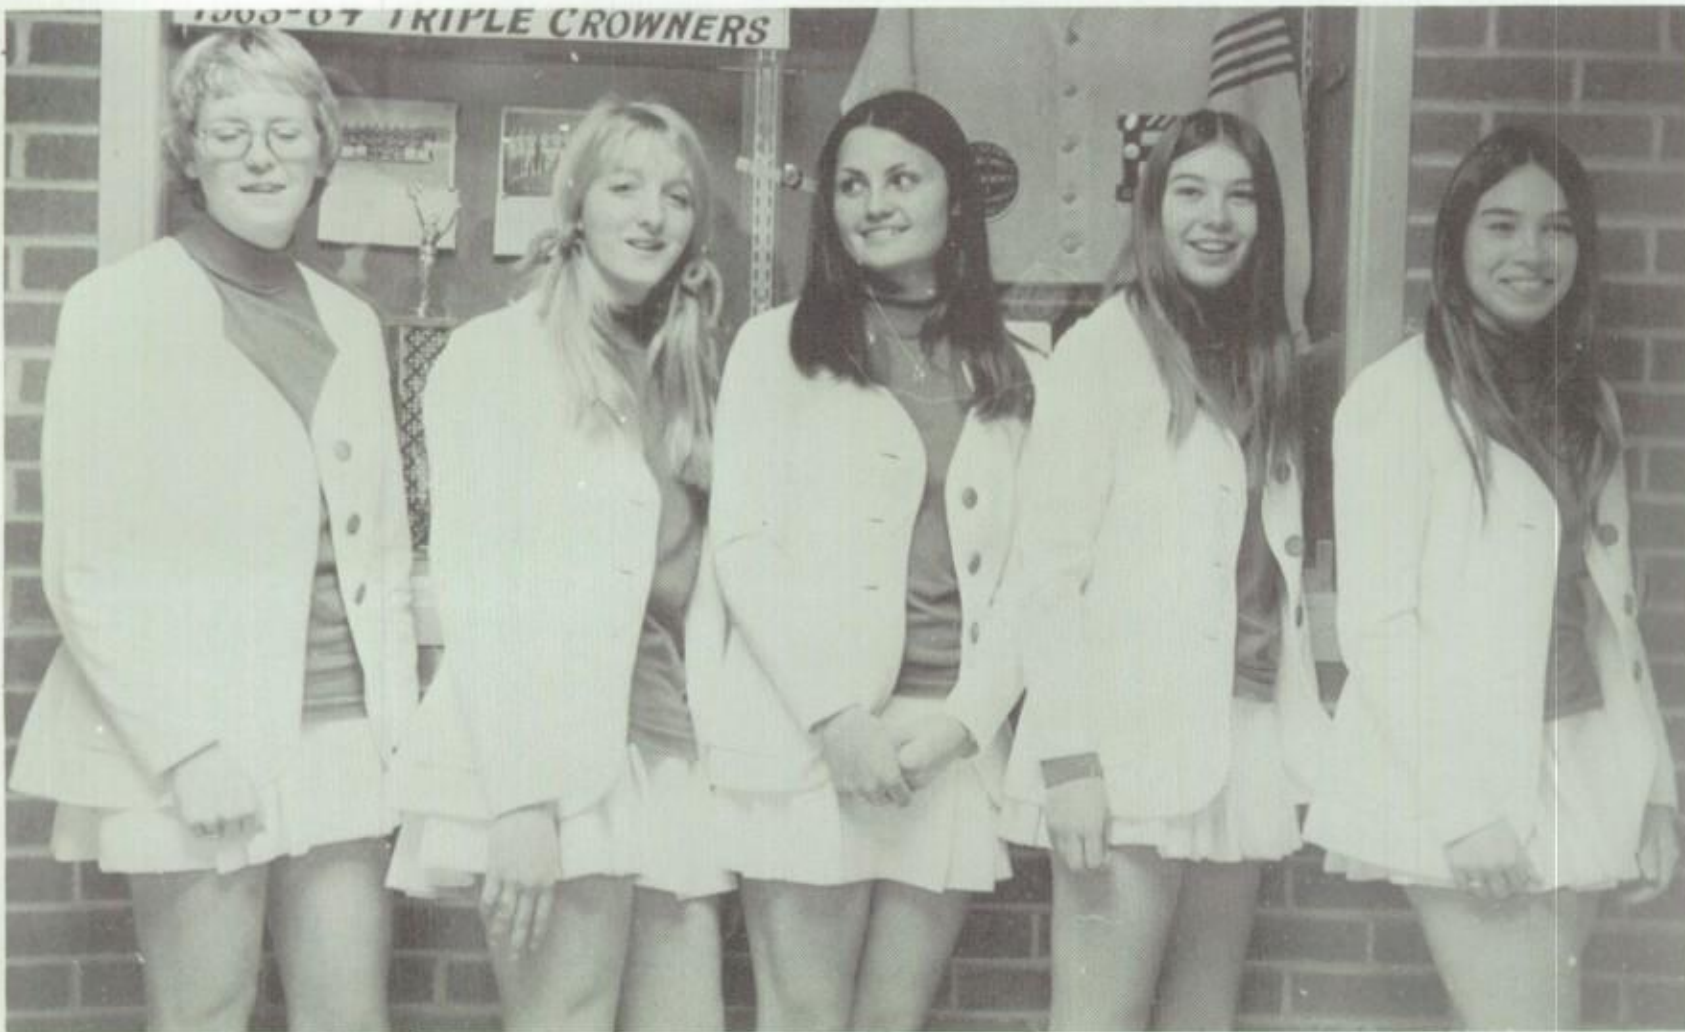

Take the best athletes from BPHS, from an organization and you have our Lettermen's Club. Their participation in high school activities is not left on the gridiron, the court, the track, or in the pool but takes in community functions as well. Through their own fund raising efforts, this year's club traveled to Salt Lake City to attend professional sporting events. The involvement in Big Piney High School has done much to promote interest and participation in sport activities.

L-R; ROW 1, Jay Orr, Eddie Bollinger, Tim Nugent, Dale Iverson, John Linn, Dan Barp, Ted Wright, Alan Vickrey, ROW 2, Scott Mackie, Kevin Wright, Mark Bennett, Brad Wright, Mike Olson, Mike Preston, Dan Holgate, Joe Murdock, Randy Hill,

Kevin Jensen, ROW 3, Eddie Wardell, Brad Stepp, Chris Bardin, Eldon Simpson, Blaine Thoman, Eric Bollinger, Marlowe Scherbel, Kim Glasgow, Chris White, John Copeland, Bill Harvey.

Cheerleaders

L-R: Jamie Carr, Barbara Kysar, head cheerleader, Jeannie Murdock, Nancy Hale, Jo Ann Pike.

Spearheading the attack of the sideline battles are Big Piney's cheerleaders. Their spirit and enthusiasm makes the winning difference in any crucial game. The ability to focus a crowd's anxieties and expectations into a cheer of confidence does not come easy but the ability of the Big Piney High School cheerleaders make it seem so natural.

A brief moment to catch their breaths.

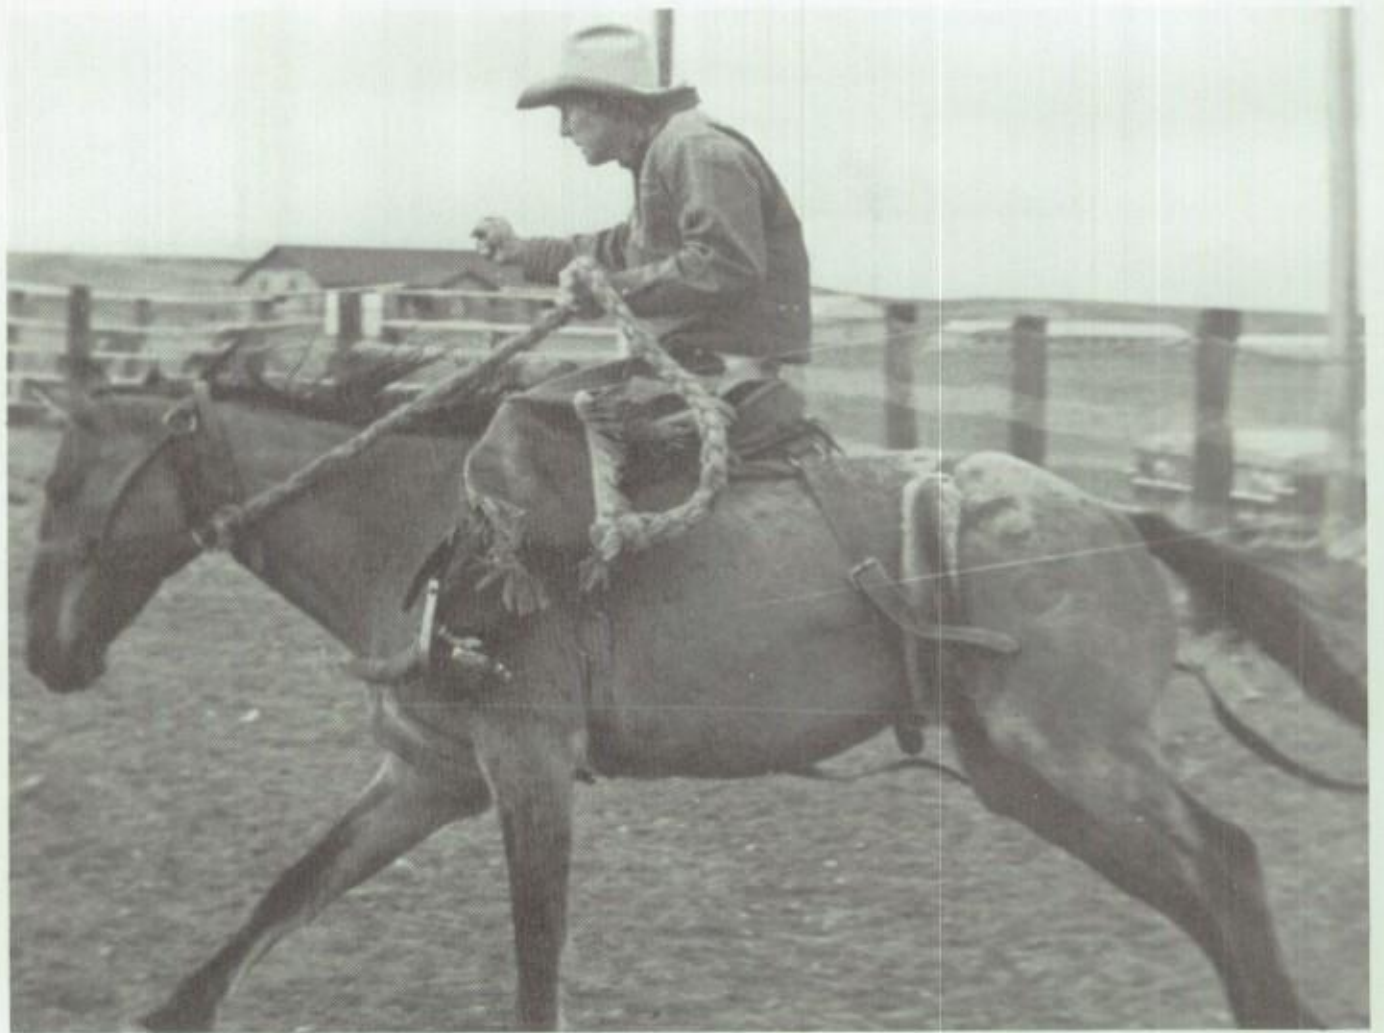

Puncherettes

The Puncherettes put in long hours of practice this year and the final result was an outstanding group of girls marching precisely to a drum cadence. Miss Sue Galley directed the girls in their routines. Besides marching at home games, the Puncherettes also travelled to Lyman, Cokeville, and Pinedale. They were warmly greeted wherever they went and rightly should have been.

Rodeo Club

The Rodeo Club has been extremely busy this year. They have traveled to nearby towns and participated in many rodeos, where many received honors. They have practiced their various events each night, such as: bull riding, bareback and saddle bronc riding, pole bending, barrel racing, calf roping and bulldogging. They also excitedly prepared for their home rodeo in June. They will return next year better than ever.

Bronco busting is one of the most popular areas in rodeoing.

Thrills and excitement are always present in bull riding.

Fine Arts

She Walks in beauty, like the night
of cloudless climbs
and starry skies;
And all that's best of dark and bright
meet in her aspect and
her eyes:
Thus mellowed to that tender light
which Heaven to gaudy
day dewies...

Concert Band

L-R; ROW 1, Mr. Northway, Robin Miley, Garry Eiden, Doug Barker, Chuck Rees, ROW 2, Darlene Boe, Michele Nichols, Ty Edminson, Teresa Duncan, ROW 3, Steven Yose, Bill Kreiger, Stuart Moffat, Jerry Ball, ROW 4, Jill Iverson, Lynnae Clark, Gaila Griggs, Elaine Barker, Janet Budd, ROW 5, Belle Wassenberg, Carol Crockett, Carrie Moffat, Marlene Clark, ROW 6, Candon Guio, Dale Iverson, Mildred Mickleson, Carol McKinley, ROW 7, Mark Bennett, Ted Wright, Jo Lynn Fogleman, Cheryl Shorc, ROW 8, K.C. Camis, Debbie Moyer, Chris Haddock, Jamie Carr.

Under the direction of Mr. Northway the band again played itself right into top honors at District Music Festival with a superior rating. This is greatly deserved after hours of hard and frustrating work.

The band also performed at concerts in the winter and spring, as well as providing the traditional music at graduation.

The pep band, which is composed of concert band members, added spirit and enthusiasm at pep assemblies and at home games. They are now playing a major part in all festivities held within the school system.

Stage Band

L-R; ROW 1, Robin Miley, Mark Bennett, Garry Eiden, Steve Firth, K. C. Camis, Steven Yose, ROW 2, Mr. Northway, Darlene Boe, Michele Nichols, Teresa Duncan, Ty Edminson, Doug Barker, Chuck Rees, ROW 3, Candon Guio, Dale Iverson, Elaine Barker, Stuart Moffat, Carol McKinley, Jamie Carr, Marlene Clark, ROW 4, Ted Wright, Lynnae Clark, Carol Crockett, Carrie Moffat, Chris Haddock.

Every Monday, Tuesday and Wednesday mornings from 8:30 a.m. to 9:15 a.m., under the direction of Mr. Ernest Northway, the stageband diligently practiced on music for the various away concerts, which included Lander, Cokeville, and Starvalley. They played at District Music Festival and were awarded with superior ratings. And they also traveled to the Casper Stage Band Festival, where they played in a guest spot, and received superior ratings.

It was not an easy year amid the

frustrations, disagreements and hard work, but it all succeeded in pulling the members closer together.

The final spring concert was a huge success and the public awarded the stage band with the highest honor, a standing ovation.

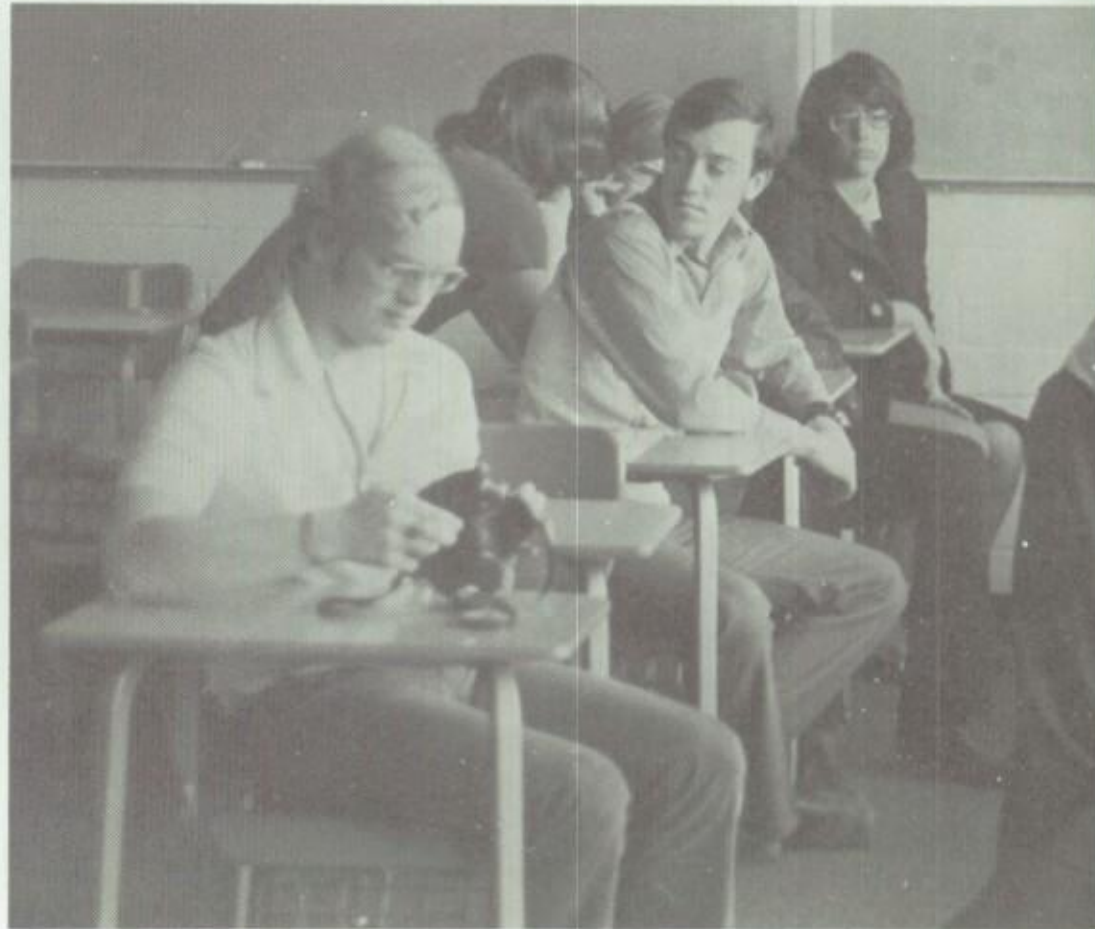

The Stage Band will return next year with goals that may seem impossible to reach, but they will conquer each one with the love and enjoyment they feel toward music.

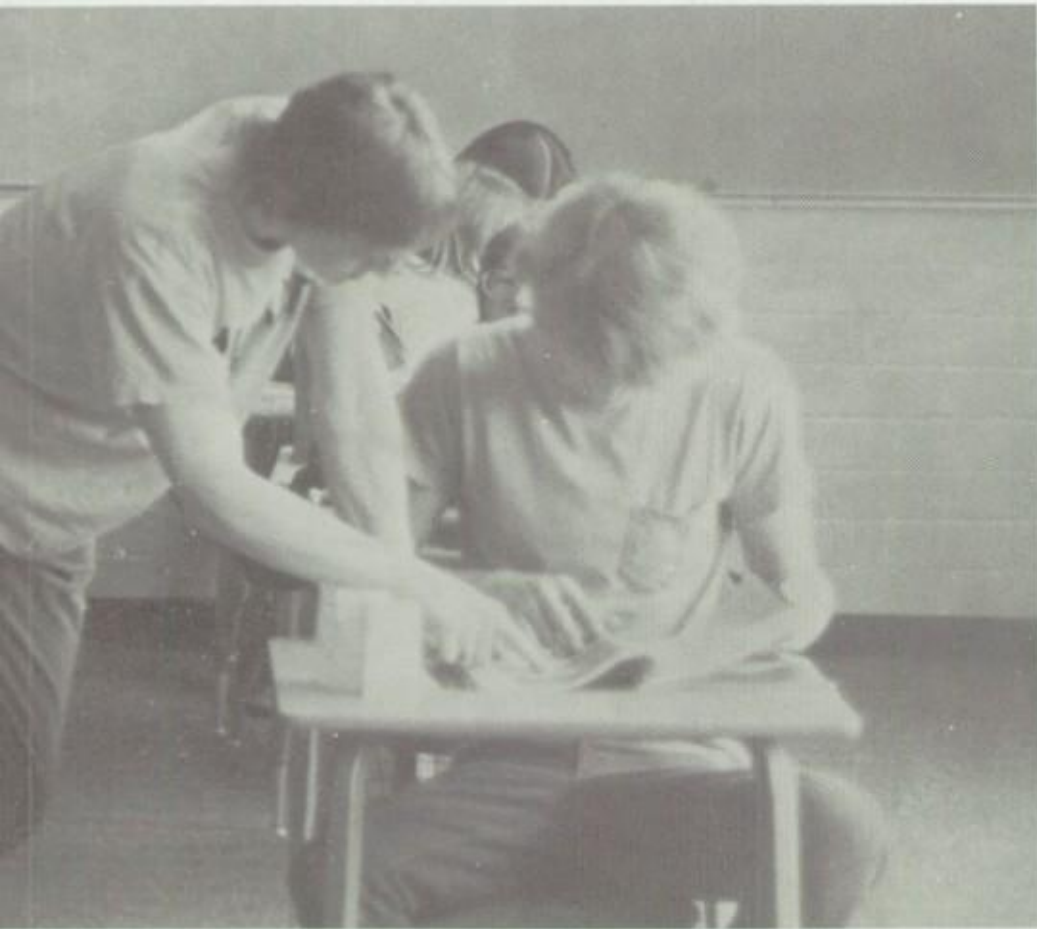

Art, Drama, and Photography

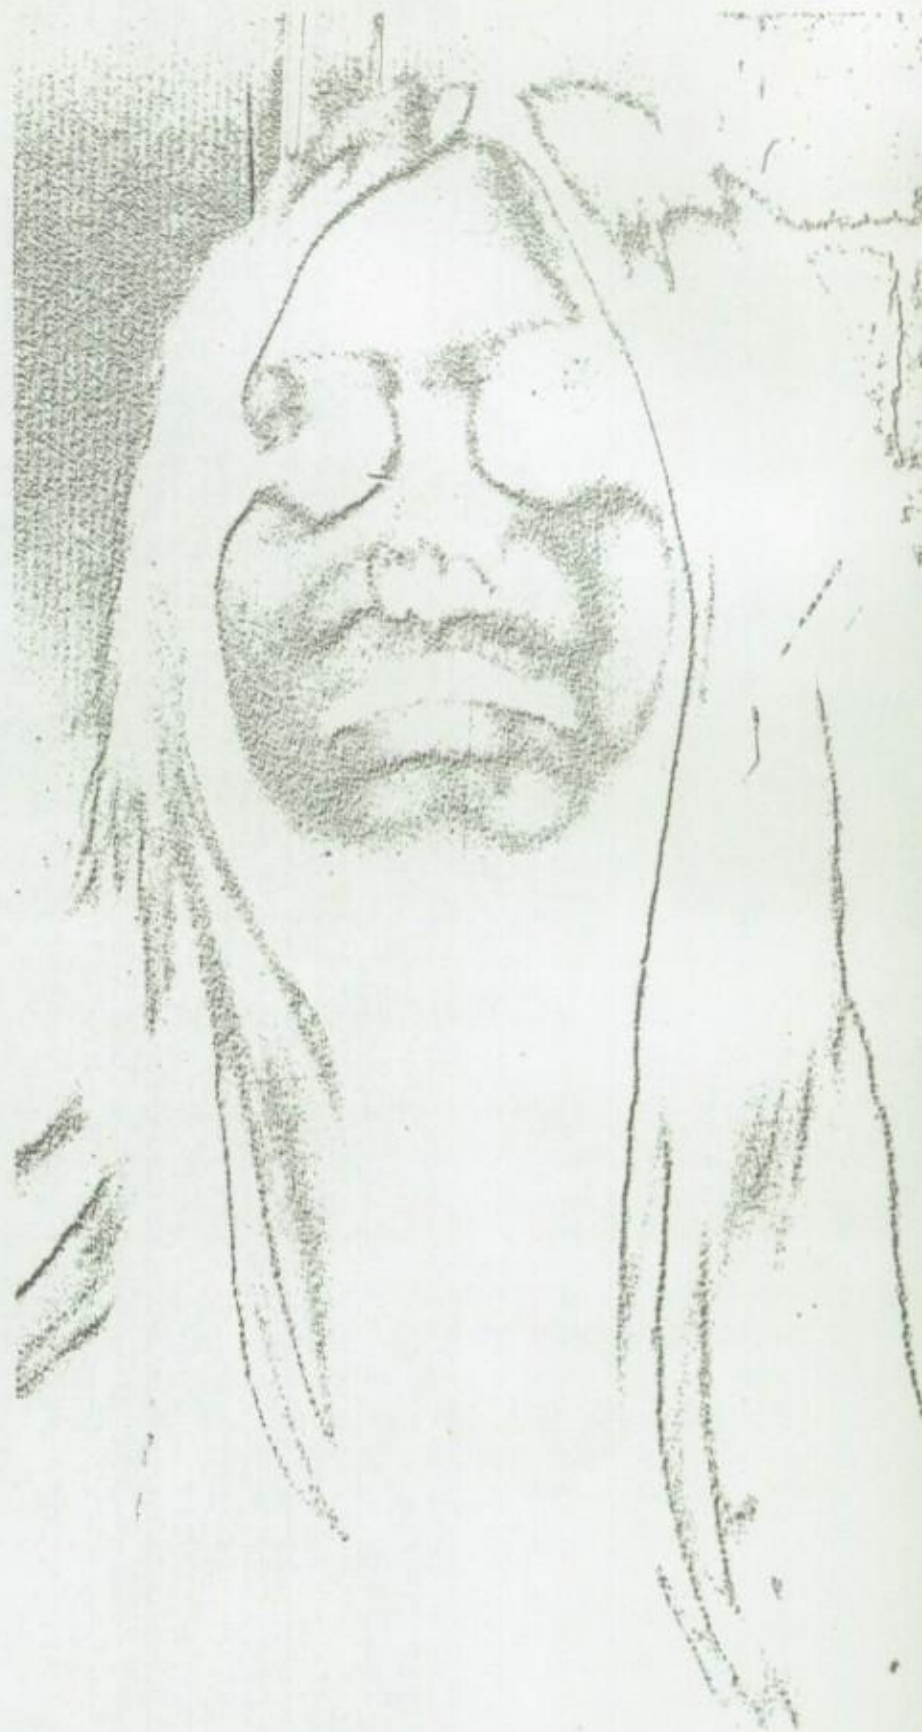

For the last couple of years, the art class has put on an art show at the end of school. This brings great interest from all members of the surrounding area. It is very encouraging for the young and undeveloped artist.

Drama, under the direction of Mr. Burnham, has always been an asset to the school. It has gained recognition throughout the community.

Photography has only been a class for two years but it has proven to be one of great interest and growing popularity.

The fine arts program has displayed an increasing show of talent, ingenuity, and imagination over the past year. The individual talents of the students has been exhibited through needlepoint, oil paintings, pastels, sculptors, the one-act plays, the play "Butterflies Are Free," and mind-bending photographs.

All three areas-art, drama, and photography-have joined to form an ever growing interest in the "Arts."

Choir

The choir has, for the fifth consecutive year, received a superior rating at District Music Festival; under the direction of Mrs. Susan Northway. This was rightly awarded because the blend of the voices were more beautiful than ever before.

The choir will continue singing their way right into the public's hearts next year.

L-R; ROW 1, Ren Decker, Bill Knudson, Tom Porter, Carol Crockett, Jay Orr, Tim Thompson, K. C. Camis, Gary Snyder, ROW 2, Jessie Eubanks, Chris Haddock, Stuart Moffat, Jerry Ball, Eddie Bollinger, Teresa Duncan, Karla Yeates, Sheree Grinestaff, Linda Hoopes, ROW 3, Mona Mitchell, Marica Waters, LaRae Murphy, Jill Iverson, Debra Hoefler, Gaila Griggs, Madeline Decker, Debbie Daniels, Barbara Bollinger.

Athletics

There was a limit to how much
the new body could do,
and though it was faster than
his old level-flight record,
it was still a limit that would take
great effort to crack.
In Heaven,
he thought,
there should be no limits.

Football

The Big Piney Punchers had a successful, but tough football season.. They never seemed to lose their spirit; even if the Punchers lost they played the next game with that much more drive and determination.

Much of their success is owed to the leadership and coaching ability of their coach Frank Costello and assistant coach Ray Clark.

Basketball

L-R; ROW 1, Casey Osborn, Brad Stepp, Tim Nugent, David Daniels, Jay Orr, John Copeland, Bill Kysar, Chris Bardin, Rodney Kidman, Mark Bennet, Marlowe Scherbel, Blaine

Thoman; ROW 2, Rick Costello, Head Coach; Darell Copeland, assistant coach, Alan Vickery, statistician, Eric Bollinger, manager.

The Punchers continued success throughout the years as a basketball team with spirit, skill and drive was again displayed in the 1973-74 season.

Like any other team, the Punchers have their ups and downs. They are not often placed second in a game. Taking first is the Punchers desire and they did so in the four team tournament at Big Piney.

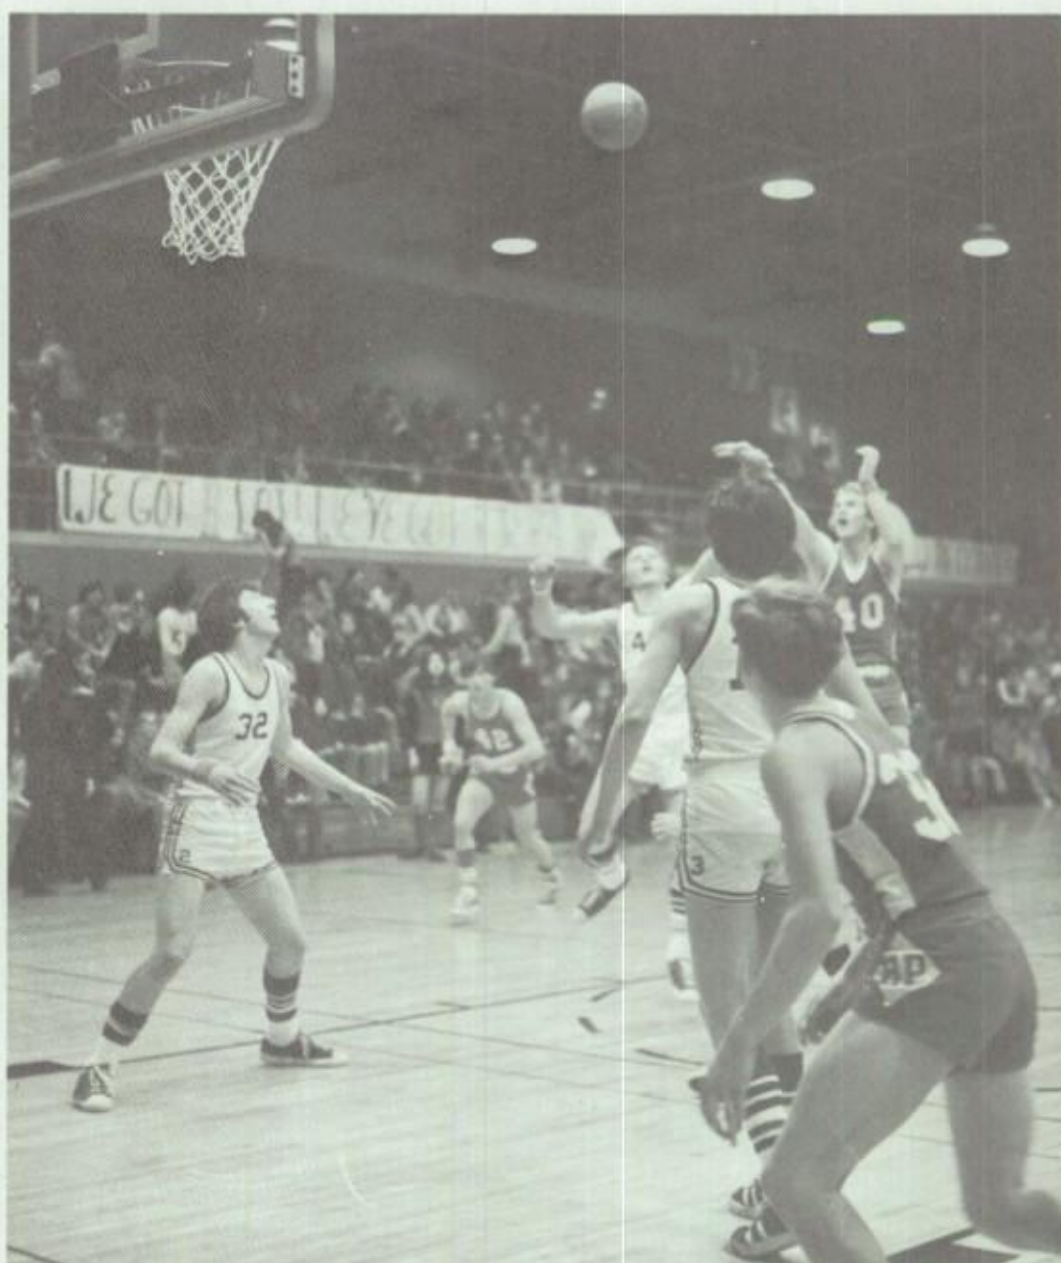

The team's coach, Rick Costello, has helped bring the team to victory. Together they make a combination of long practice sessions, difficult plays, and spirit filled gyms mean victory.

Brad Stepp struggling for possession of the ball as the Punchers are matched against Kemmerer.

John Copeland brings the ball down the court to set up another play.

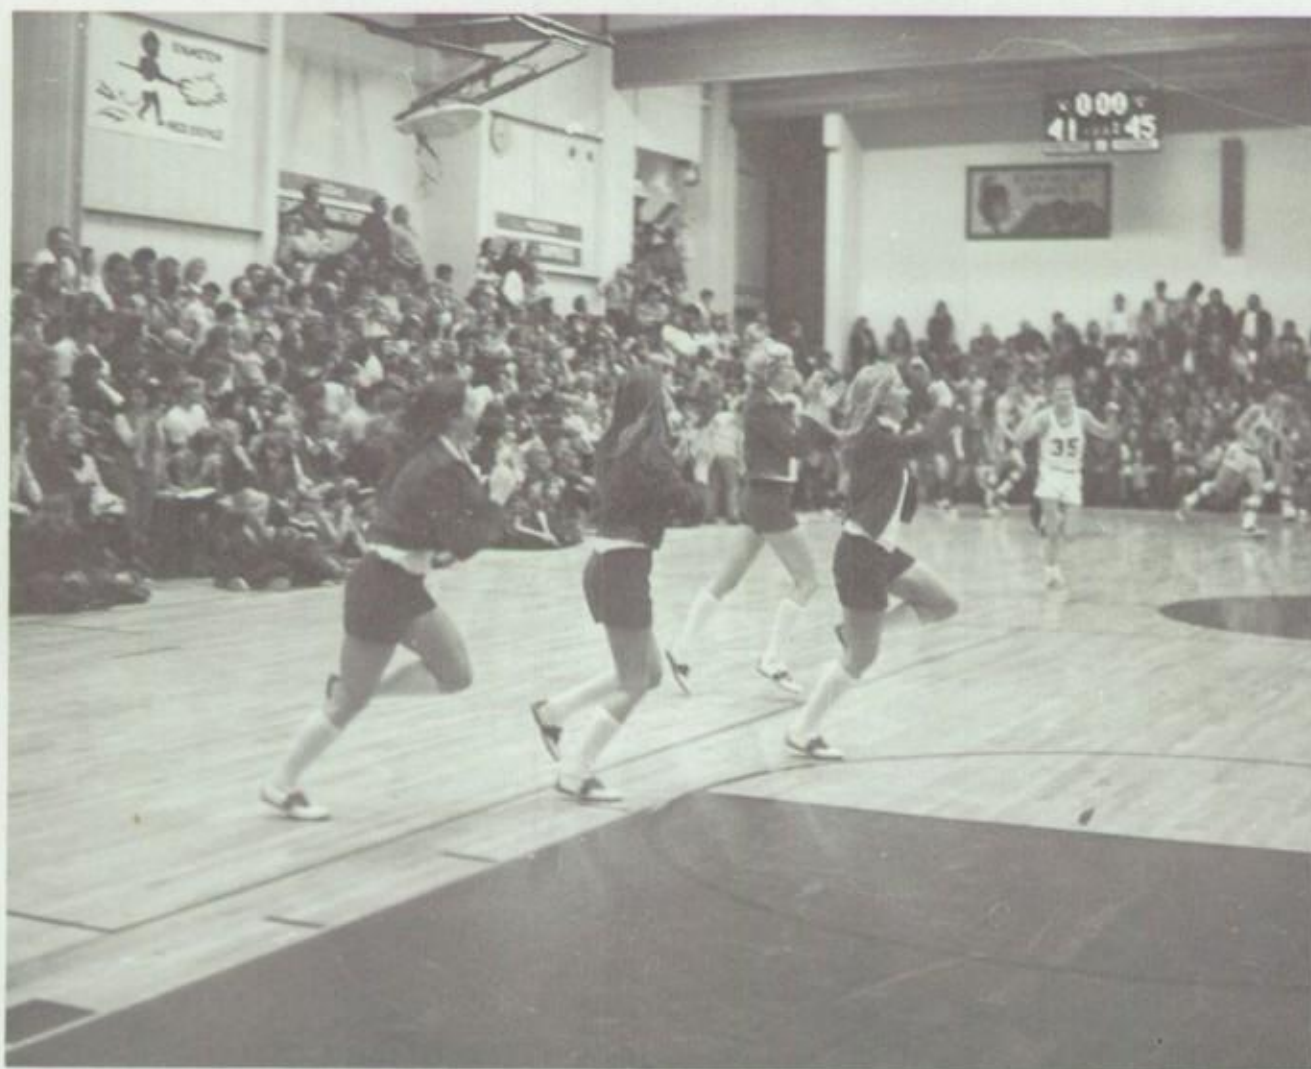

Casey Osborn (left) shooting beneath the basket for two more points. Tim Nugent, above trying his luck at an outside shot.

The punchers skill and drive to win took them to District Basketball Tournament.

Basketball for the team is often a hard fought and close scoring game, but they usually come out with a well deserved victory.

Marlowe Scherbel shooting a jump shot.

The Victory at last! The final score 41 to 45, a close one, but Victory at last!

Volleyball

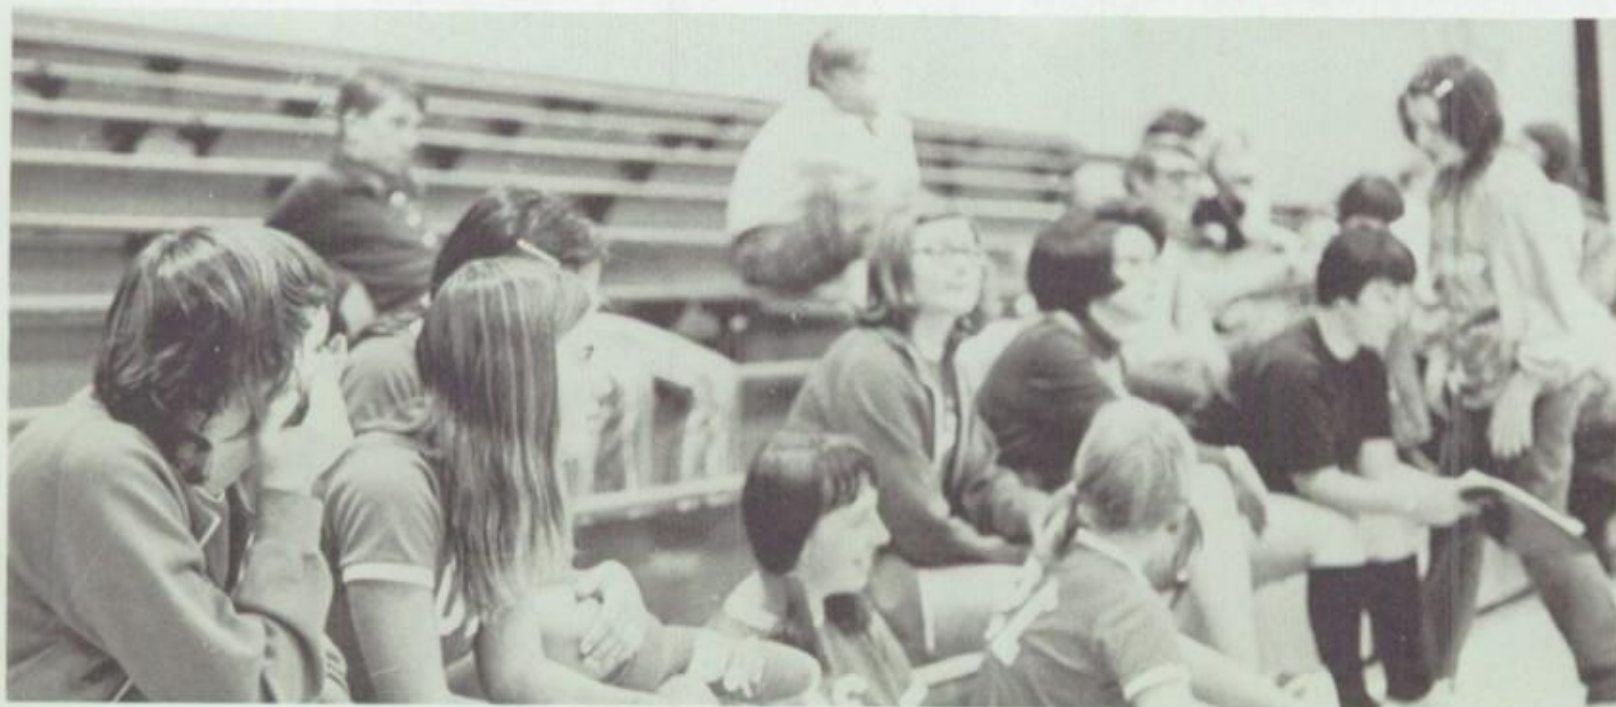

L-R: Carol McKinley, Debbie Hoffman, Darlene Boe, Diane Olson, Jean Murdock, Barbara Kysar, Debbie Hoefer, Mrs. Murdock, coach, Shirley Degraw, Carol Crockett, Gaila Griggs,

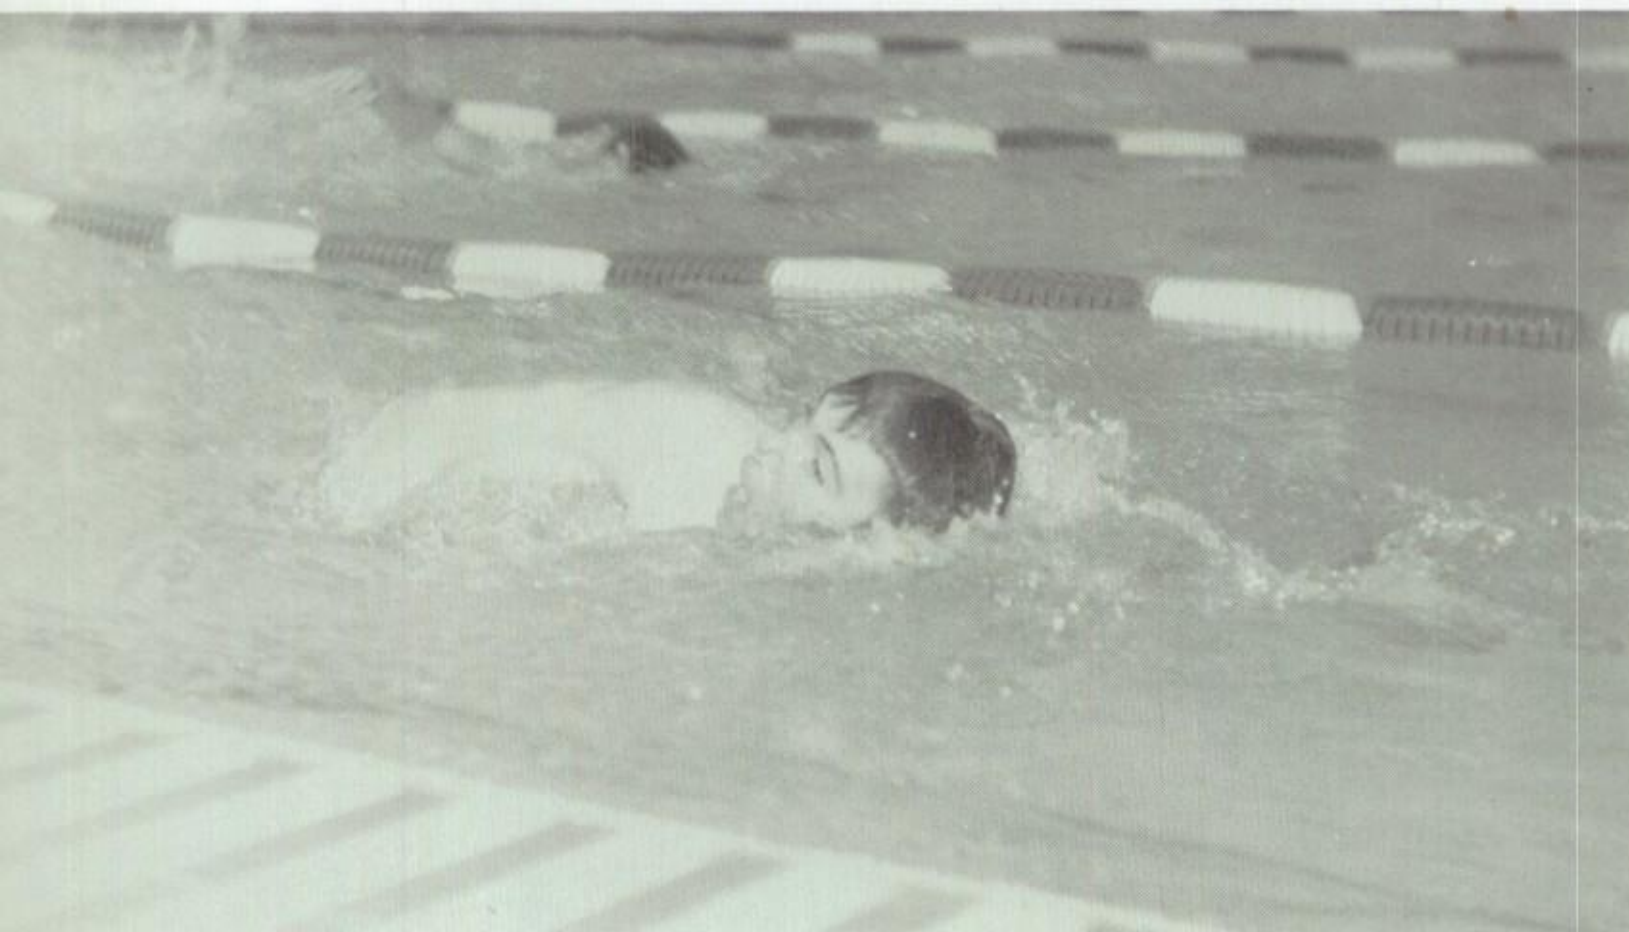

Mildred Mickelson. Teresa Duncan, Karla Kulinsky, Lynn Tanner.

The volleyball team put in hard hours of work preparing for their many games both home and away. This year's district tournament was held in Big Piney and although the BPHS volleyball team were tough competitors, they were put out of the running by an equally tough team from Medicine Bow. Under the coaching of Toni Murdock the team always had the winning spirit and never gave up.

Boys' Swimming

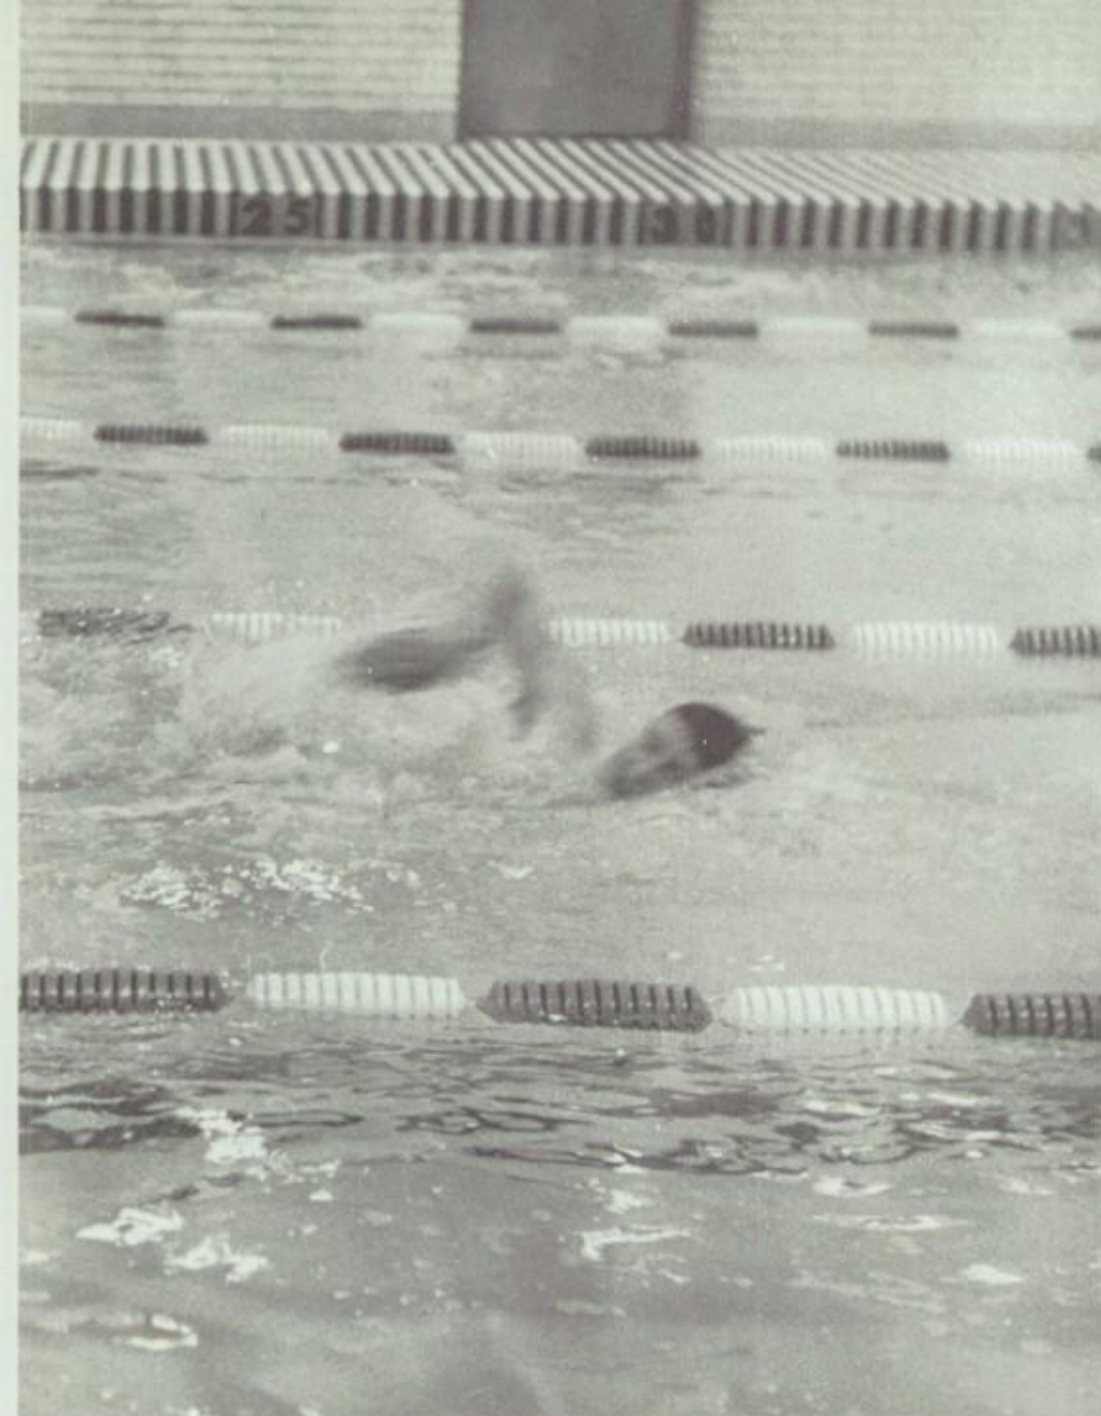

The swimming team puts in long hours in practice.

Having only been in existence for a couple of years the Big Piney swim team has proved themselves a hustling and highly skilled organization.

Once again the Punchers had members go to District Swim meet and then on to State. Ted Wright again came out on top by becoming the Wyoming State Diving Champion.

To Mike a girl who I really
care about take kick.
With Love
Chris.

Girl's Swimming

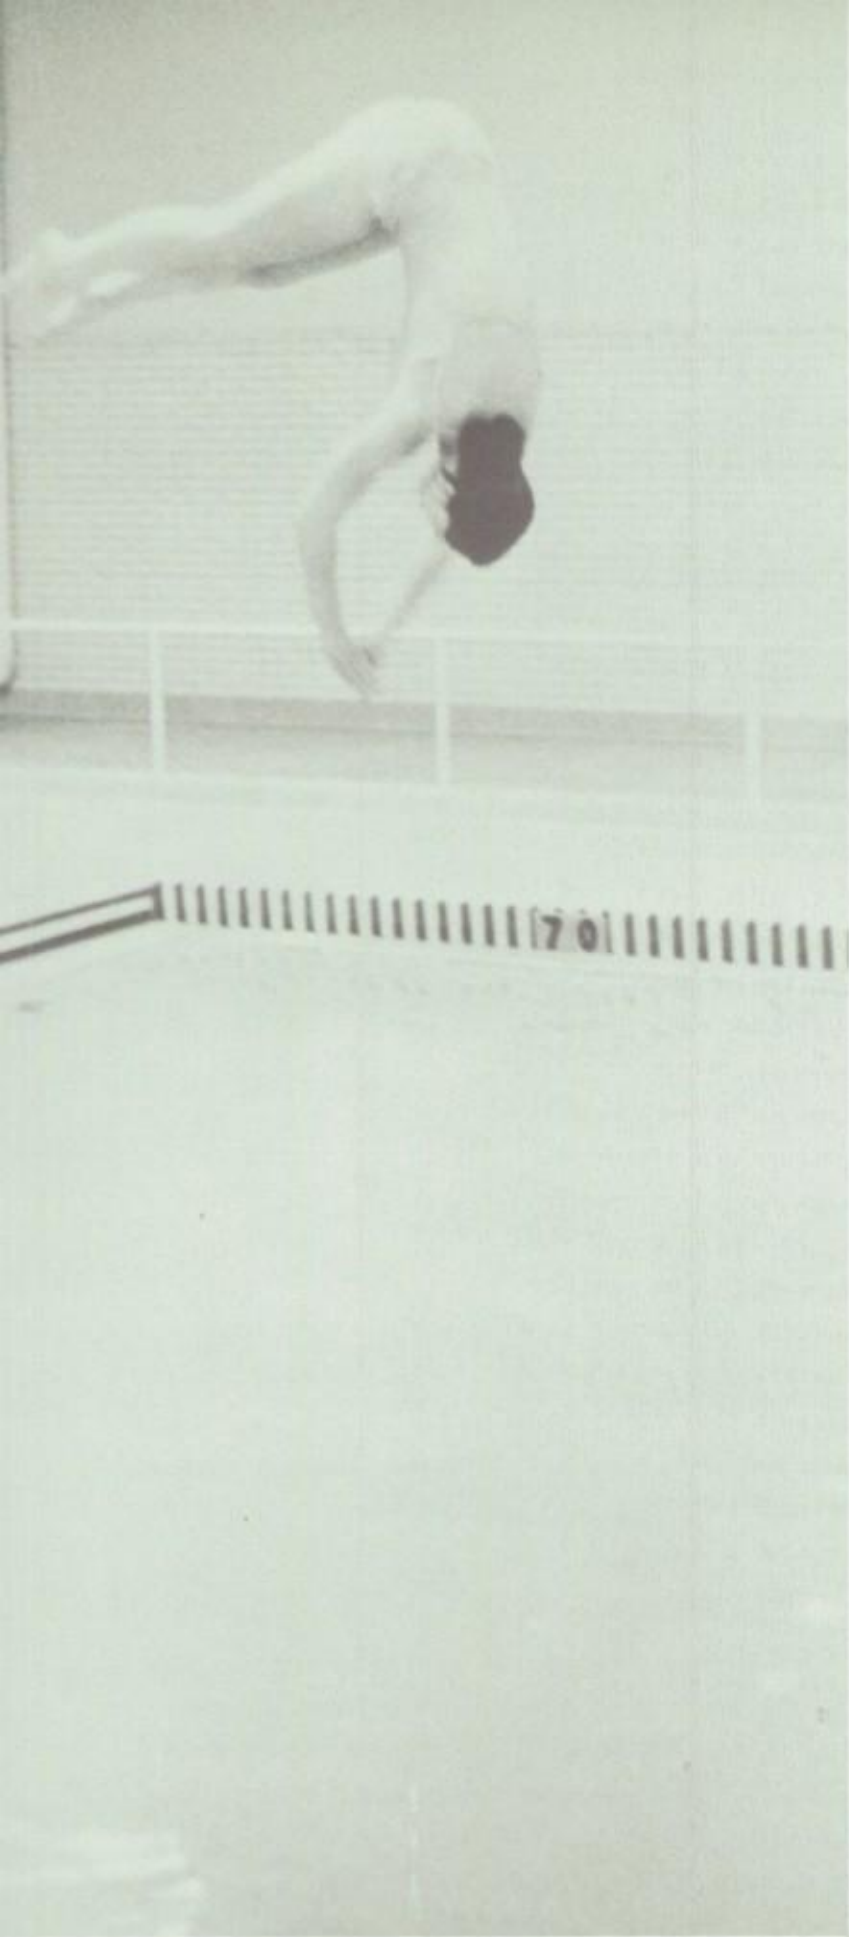

L-R: ROW 1, Trudy Skinner, coach, Debbie Hoffman, Jeane Murdock, Sheree Grinestaff, Roberta Linn, Madaline Decker; ROW 2, Debbie Hoefer, Regina Lewis, Kareen Glasgow, Janet Budd, Jill Iverson; ROW 3, Karla Yeates, Teresa Duncan, Galla Griggs, Michele Nichols, Elaine Barker, Karen Budd.

Continually improving, the Girl's swim Team has proved a tough contender. Having competed in several meets, home and away, they have managed to win proudly and lose humbly.

Much thanks for the help in their swimming and the boosting of their spirits is due to their coach, Mrs. Skinner and other assistants.

Gymnastics

L-R: ROW 1, Holly Davis, Lynn Tanner, Karla Yeates, Gaila Tanner, Elaine Barker; ROW 2, Teresa Duncan, Mildred Michelson, Roberta Linn, Gaila Griggs, Mona Mitchell, Jean Murdock, Kathey Miller.

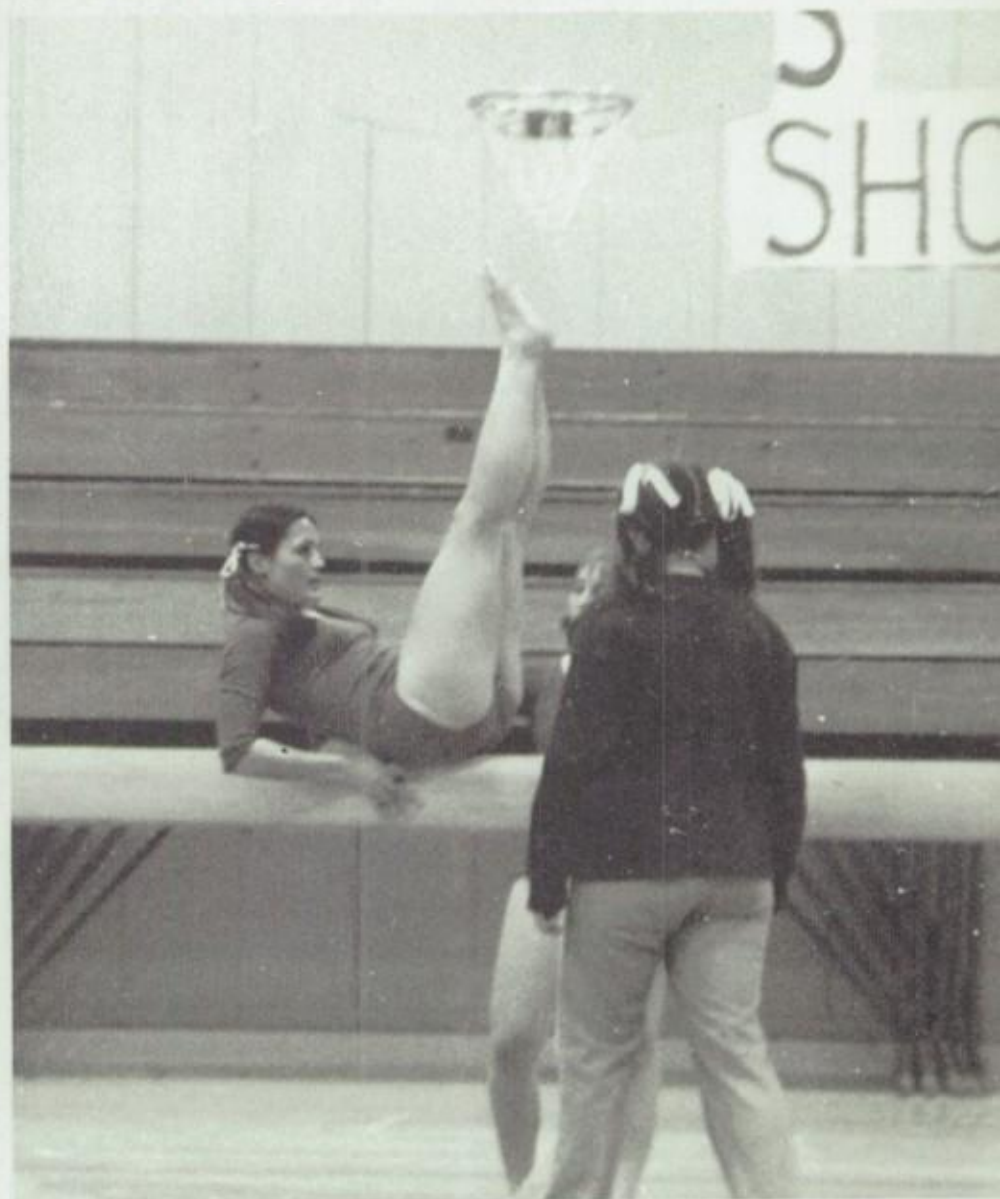

This has been the second year for the Big Piney gymnastics team. The girls this year have shown their abilities on the various apparatus such as: uneven parallel bars, free exercise on the mats, side horse, balance beam, and trampoline. The team put on a gymnastics program for the community on February 20. It proved to be a huge success and was thoroughly enjoyed by everyone. Under the direction of Coach Trudy Skinner, the diligent gymnastics team will certainly return next year.

Gaila Griggs doing a routine on the matts.

Lynn Tanner working out on the trampoline

Jean Murdock on the balance beam.

Boy's Track

The Track Team in BPHS is small, but enthusiastic. They attend several track meets and took top positions in most events. Marlowe Scherbel and Gary Eiden also attended the State Track Meet where once again Big Piney's name was among the top names mentioned.

L-R: ROW 1, Gary Eiden, Tony McAlister, Marlowe Scherbel, Harold Whitman; ROW 2, Shannon Wrangle, Doug Barker, Jeff Budd, Charles Jamieson.

People. . .

Those who can't resist a little action in the game.

Those who aren't sure what they're doing.

Those who want to win.

Those who are watching everything but the game.

Those who don't know which end is up.

And those who believe in the Equal Opportunity for Women.

Events

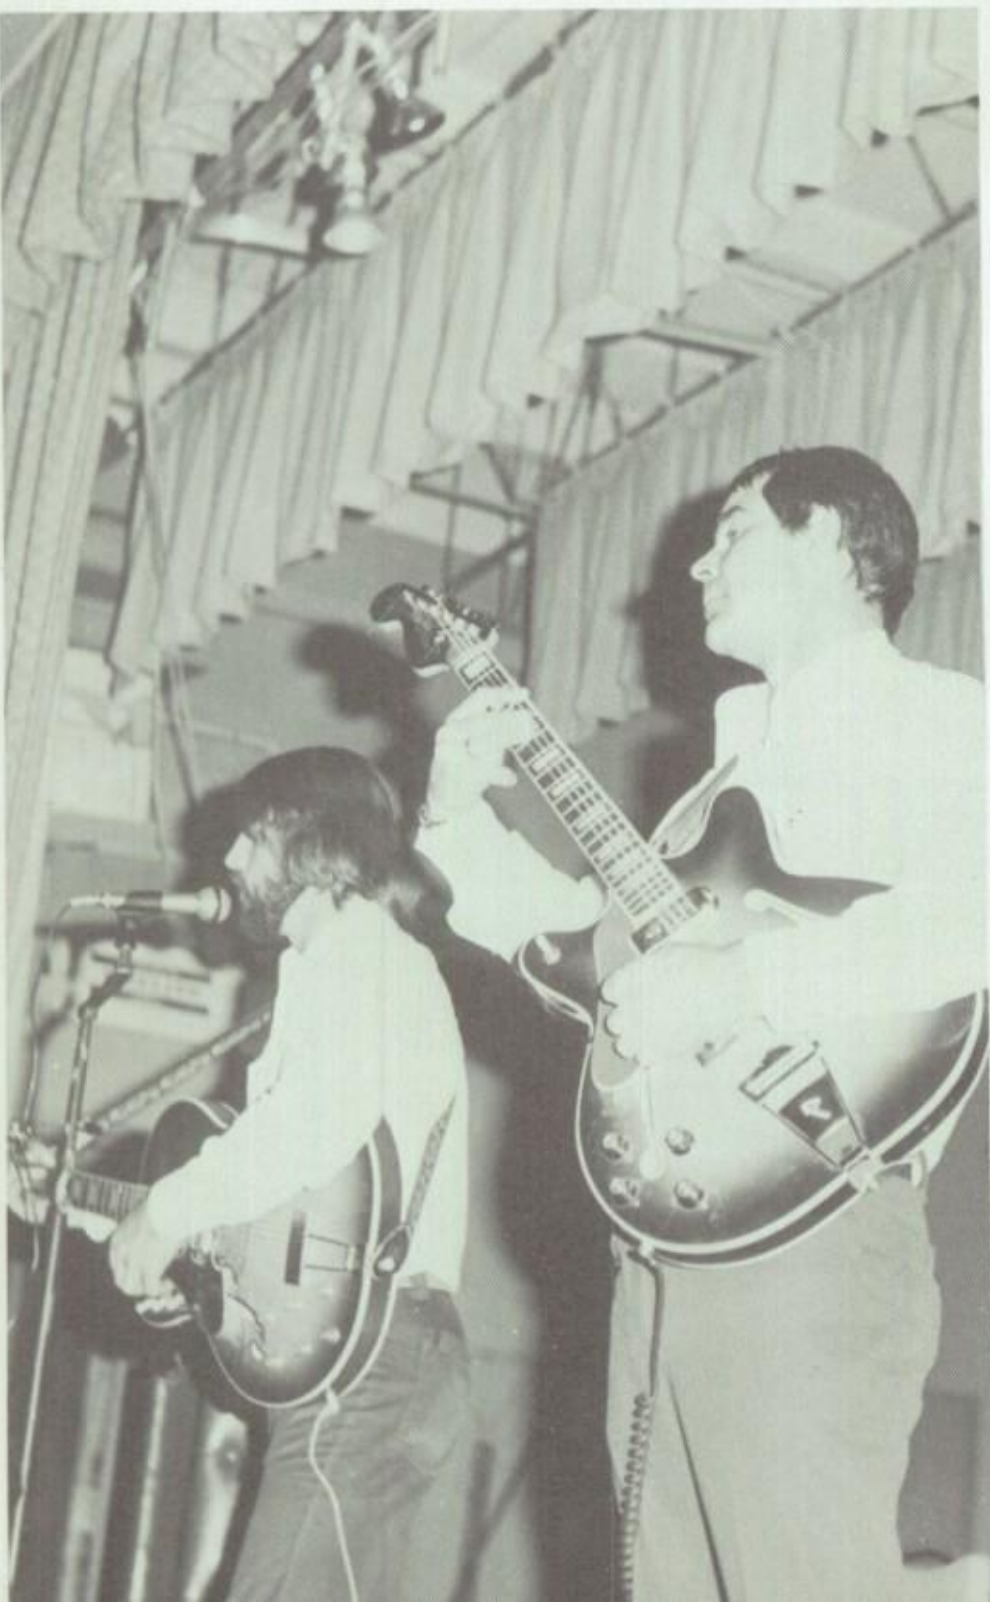

Let us rejoice in those
times of greatest joy;
Let us learn from those
times of greatest doubt;
And let us remember
and be satisfied
with all times.

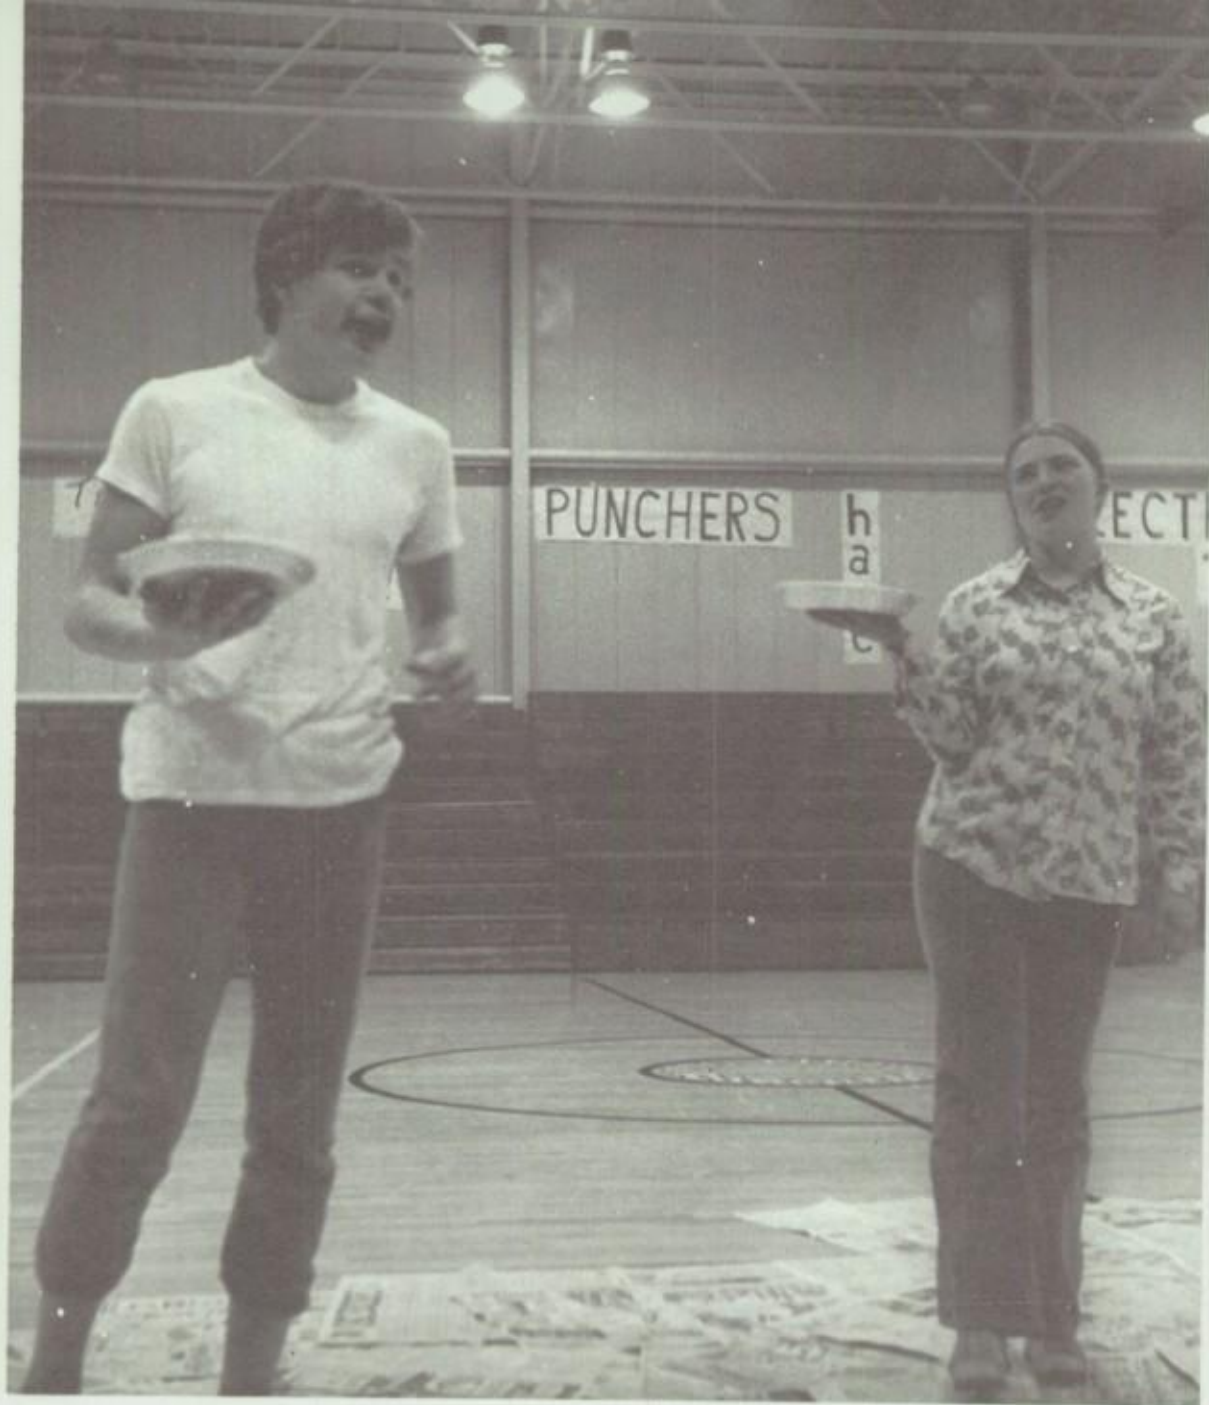

Homecoming

For the second consecutive year BPHS has had a talent show instead of the traditional parade for the Homecoming festivities. It proved to be a huge success with numerous skits, vocals and various other talents. Adding to the excitement of the day, the Big Piney Punchers were victorious over the Pinedale Wranglers. To top the festive day off was a western dance held at the school.

King Dale Iverson and queen Darlene Boe reigned over the festive day.

And everyone thoroughly enjoyed themselves.

The Junior class well exceeded their talents in performing a difficult play dealing with twelve angry jurors during a murder trial called **TWELVE ANGRY MEN**. The final production was performed on November 29, and was done extremely well after five weeks of diligent work by the cast and director.

This year celebrated Mr. Burnham's 10th year of successful productions, which have provided Big Piney with enjoyable entertainment.

Christmas Program

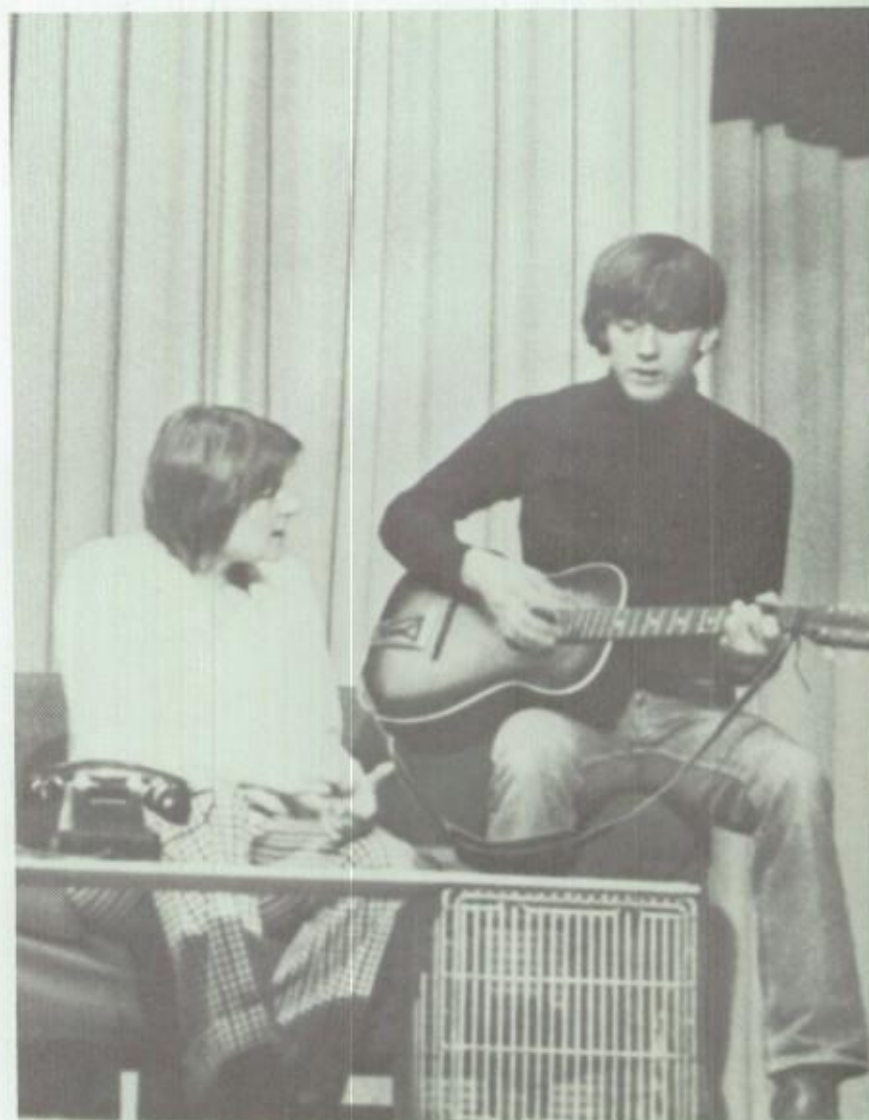

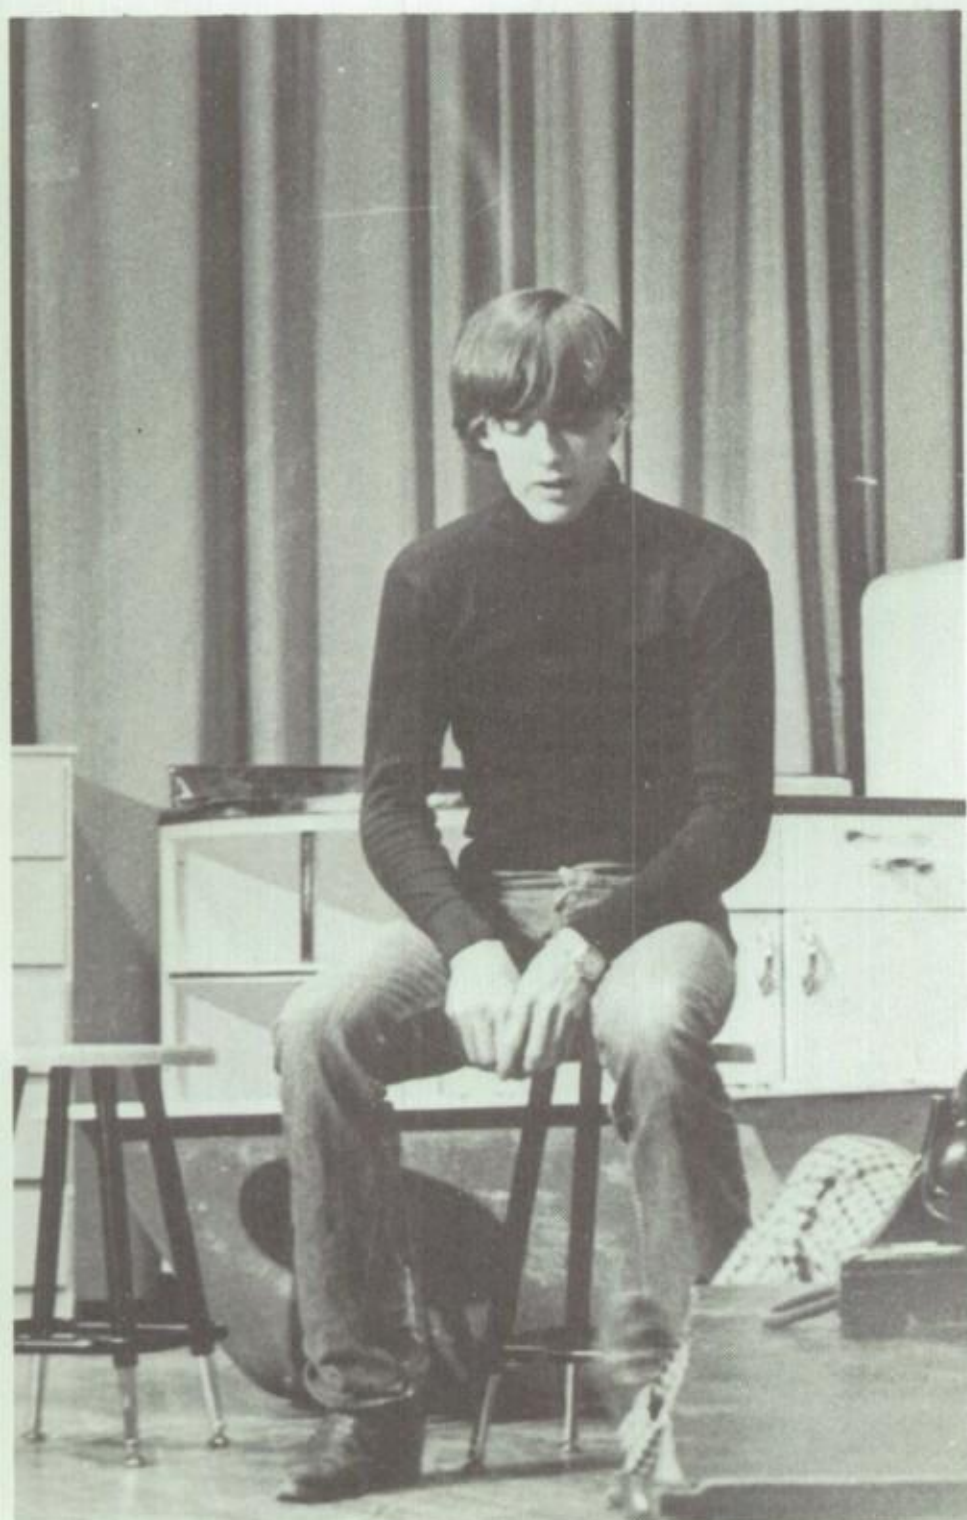

The annual Christmas program is enjoyed by many of the parents and people from the community.

The grade school performs a number of skits about Christmas and its meaning, while the junior high and high school choirs sing songs.

Butterflies Are Free

Under the direction of Rex Burham and with the talent and charm of Sheree, Ted, David, and Linda, "Butterflies Are Free" proved to be a huge success on opening night. Each student should be complimented because each role was difficult and demanding.

All-School Play

The members of the cast put on an outstanding performance of the musical **THE EMPEROR'S NEW CLOTHES**. Under the direction of Rex Burnham, the cast put in hard and long hours of practice. Mrs. Fear and Mrs. Northway helped to get the musical end of the production perfected.

Combining the talents and acting abilities of many members of BPHS proved to be another entertaining and well produced performance.

One-Act Plays

The drama class has established the reputation of performing a series of one-act plays for one evening in the winter. It is a special and entertaining evening.

The acting abilities taught or stimulated in the drama class are best displayed in the one-acts. Rex Burnham, director and teacher of drama, has done a wonderful job in improving these students' talents.

Junior Prom

The junior class' theme for their prom was "Time in a Bottle." The banquet was again held at the Pit and Primer with the keynote speaker, Madge Funk, who proved to know more about the seniors than they did themselves.

Following the banquet, everyone enjoyed the dance also at the Pit and Primer. The entire night was an occasion that will be remembered forever.
